

# **When a Sovereign frequency Triggers Parasitism in Narcissistic Self-Victimized Beings Consumed By Spiritual Poverty**

**by Pedro Lima**

First, they are triggered by your undeniable, authentic Soul blueprint, your energetic frequency exposes what they have denied, avoided within themselves.

Then they allow themselves to be consumed by jealousy, envy, fear, unworthiness, lack, deception, shady intentions and curated fragmented identities and roles.

Instead of turning inward to heal, integrate, and take self-accountability, they choose projection.

They lie.

They slander.

They gaslight.

They gang up to bring others down.

They manipulate and exploit.

They feel satisfied when bringing others down.

They cling to your sacred energy, attempting to pull you down to their own level; a level of self-misery, self-sabotage, mediocrity, self-deception, and self-betrayal.

They become obsessed with you.

They surveil, monitor, and stalk.

They obsess over your movements, your growth, your presence.

They plot and project ill intent rooted in a tainted heart, driven by malice and a fragile, insecure false sense of self.

They measure themselves against you.

They see you as competition.

They target you, not because you harmed them, but because your inner light exposes their falsehoods, curated lies, distorted narratives, and parasitic egoic dysfunctional illusions attachments.

You were never the problem.

You were the catalyst.

A mirror for the hollow, entitled, narcissistic, and self-victimized, those who hide behind performative curated masks to justify their spiritual poverty, emotional immaturity, and avoidance of truth.

Their petty, bitter, exploitative, and manipulative enmeshment binding egoic consciousness games are the currency of parasitic beings who lack self-sufficiency, self-accountability, and self-love.
