

**THE KENNEL CLUB OF JERSEY**  
**OPEN SHOW – 18<sup>TH</sup> NOVEMBER 2023**

My third invitation to Jersey and I have thoroughly enjoyed every one of them. The quality has always been impressive but I will particularly remember this trip for a couple of other reasons. The first is the number of young people involved in handling, thus ensuring the continuation of our pastime. The second was, in the midst of a competition, the willingness of exhibitors to step in and assist each other when an extra pair (or more) of hands was needed in the ring. Well done Jersey – supported by Guernsey.
