

THE KENNEL CLUB OF JERSEY 2024

Alaskan Malamute OD Brouard's Jsy CH Orsamals Pepe Le Peew 6 year old sturdily built male of good type. Clean well proportioned head to handle. Very good forehand with strong bone and compact feet. Ample spring and depth to ribbing. Topline firm with gentle slope to powerful quarters. Tail set and carried correctly. Shown in full bloom. Strides around the ring with an air of confidence in tune with his young handler at all times A well worthy Champion. BOB & G1

OB Brouard's Dreamwolves J'Adore at Orsamals 10 year old female that is well constructed under her dense jacket but today she is carrying a bit too much body. Good head to handle with strong jaws and well set ears. Well ribbed up, easy moving when settled. **Great Dane O** Le Claire's Fontanarossa Equator 2 ½ year old brindle female clean head planes but could be a tad strong all through. Good length of neck into moderate forehand with strong bone and compact feet. Deep well filled chest and good ribbing. Moves soundly in profile but loose in front coming to. **Leonberger P** Germain's Simden Broadway Your Song At just 10 months this male is understandably still loose in body and movement but the potential is there to build on as he matures. Well proportioned in head with mid eye colour and thickness of ear. Well ribbed up for his age and size just needs time to mature on. Shown in good jacket texture. Sound when settled although a tad loose as before. BOB & PG1 **O** Germain's Didleo St Germain Saule 8 ½ year old male Good head shape and construction but far too heavy and this affected everything from his outline to his movement today where he struggled to get into any sort of stride. **Newfoundland O** Coldwell's CH Zentaur This Is Jam Hot 6 year old brown female that gets better with age like fine wine. Strong well proportioned head that is clean and easy to go over. Powerful neck easing into well developed forehand and complimented in her quarters to allow a positive movement from all directions with the desired gentle rolling action. Put down in full bloom. BOB & G2 **PWD O** McFarlane's Micador Will I Am 7 year old male. Clean head lines with dark well set eyes and scissor bite. Moderate front construction with straight limbs and tight feet. Deep well sprung ribs firm in topline and defined in quarters. Moves out and back soundly. Not in the best coat conditioning today. **RBT O** 1 Lynnyk-Ali's Holdnaya Zhara Vivat! Poltava 3 ½ year old very well constructed female that used the ring to show off her attributes to the full. Strong headpiece without losing her feminine appeal. Muscular front assembly with matching hindquarters all put together to produce a workmanlike dog that could do a full day's work if needed. Shown in excellent hard jacket and body toning. BOB & G3 2 Lynnyk-Ali's Zeus Black Legion 16 month old well built male that needs time to harness his potential. Strong all male head with correct ratios and dark pigment. Ample ribbing for his age, topline a tad soft standing but levels out on the move. In between coats today and will benefit from more schooling to be ring ready. **AV IR O** Sharrock's Edison-Eiger Vom Rickental [Entlebucher] 7 year old male of good solid breed type for construction, head shape and ratios. Well let down in chest and sprung in rib, topline firm and level on the move. His movement is effortless and sure footed in any direction. Could be a bit calmer to be picky but that said he is a delight to go over G4

ASD L Turner's Supernatural Jody Des Allees Brumeuses 3 year old red merle female that is balanced but maybe bottom end of the scale for size. Clean proportionate headpiece to handle with well set ears and eyes giving a pleasing calm expression. Deep chest ample ribbing and firm topline. Easy on the move coming and going. Shown in hard jacket and body toning. **BSD Groenendael O** Yabsley's Jetaime Higher Love 7 year old male that is well constructed and presented in full hard jacket. Clean head planes with strength in jaw and correct dentition. Firm in topline with gentle slope to strong defined quarters. Easy on the move with good ground coverage. **BSD Tervueren O** Yabsley's CH Domburg New Demand 3 ½ year old male full of breed type and well presented in coat and body toning. Good head to handle strong without being overdone in any way. Well let down in chest ample ribbing and firm in topline. Effortless on the move thanks to his defined quarters allowing a positive hard drive. G2 **Border Collie P** Davies' Foxbarton Queens Secret 9 month old female. She has a moderate overall body shape with ample bone and substance. Head is balanced but her ears could be set and carried better. Well ribbed up, firm in topline and sound on the move. Tends to carry her tail too high and curled at times. PG2 **L** 1 Davies' Wizaland Double Exposure 20 month old well proportioned female of sound type especially on the move where she is clean and correct in her stride pattern and footfall. Good head to handle, full clean dentition and dark appealing eyes. Ears set on and used to her advantage when called for. Well developed in body, topline firm and strong in back. Correct movement with low head carriage. BOB & G3 2 Deane's Junedrop Reach For The Stars 2 year old female that is smaller cast and not so together on the move as winner. She is sound just a tad untidy in rear going away. Shown in full clean jacket. **Finnish Lapphund O** Brache's Elbereth Oreokeksi at Lappiness Striking male just 14 months old and so well prepared for the show ring not only in jacket but overall schooling that shows so well on the move where he is sound and precise in all departments in unison with his young handler. Good head to handle strong, clean and well proportioned all through. Deep chest ample ribbing and firm in back. Defined in hindquarters giving an overall balanced picture G1 **GSD O** Beardow's Kintaro Khai Drogo at Sipowitz 5 ½ year old male of good type. Scores well in head with high set ears that he uses to his advantage when needed. Mid eye brown eyes, full dentition and correct scissor

bite. Powerful neck into clean well laid shoulders and straight front. Firm in topline and straight in back. Drives hard from strong defined quarters with good coverage. Shown in hard jacket. G4 **Rough Collie L** 1 Deanes' Tiganlea That's The One 2 year old sable that has the better balance of the 2 here today. Clean well proportioned head with good expression from her well set ears and eyes. Strong in jaw, full dentition and correct bite. Ample length of neck into moderate forehand that is matched in her quarters giving her the smooth easy stride she had here. Shown in full clean jacket and toned body. BOB 2 Allen's Ingledene Shimmering Moon for Ribans Rising 4 years old this tri female is well constructed but carrying too much weight today which not only hampered her movement it also spoiled her outline. Good head ratios and strength without being overdone or coarse. Well ribbed up and filled in chest. Shown in dense clean jacket. **O** Allen's Ingledene Shimmering Moon for Ribans **Shetland Sheepdog P** Allen's Zipidee for Ribans At just 7 months old this male stands top end of the scale and whilst he is balanced I wouldn't want him to get any taller. Sweet expressive head thanks to his well placed ears and eyes. Complete clean dentition with good underjaw. Moderate angulation throughout with ample bone and substance to match. Covers the ground cleanly with good side gait and footfall. Shown in full clean jacket. PG1 **L** Allen's Mia Blue Dream Seeker for Ribans 2 ½ year old tri female. Good head ratios and shape all through, appealing eyes and well set ears. Strong neck to moderate forehand. Well ribbed up and firm in topline. Defined in rear assembly allowing a positive driving action to compliment her reach. **OD** Allen's Zipidee for Ribans **OB** Allen's Jsy CH Milesend Movie Star for Ribans 6 ½ year old sable female that ticks a lot of the boxes for type and soundness on the move. Sweet expressive head to handle being strong yet feminine all through. Well made in forehand and matched well in quarters giving a balanced outline that hold its shape whether static or in motion. Not shown in her best jacket today. handled well to get the best from her. **Cardigan Corgi O** Marett's Twinan Lets Be A Clown at Gayteckels 2 ½ year old dark brindle female full of breed type. Good head to handle, clean planes well proportioned and strong. Sturdy neck into well defined front assembly with strong bone and compact feet. Good length and shape of ribbing, firm level topline that holds at all times. Muscular quarters with well let down hocks. Shown in hard jacket **Pembroke Corgi O** Beaumont & Bisson's Woodhenge Stars In Your Eyes for Beaulamey 2 ½ year old female. Good head piece to go over, ears set on and used well. Strong jawline with correct dentition. Moulded forehand with ample bone and substance. Well ribbed up for shape and length. Holds her topline static or on the move where she is steady and sound. Blowing her jacket on the day but this does detract from her overall appearance and build.

Lhasa Apso O Walker & Journeaux's Jsy CH Petwalk Inspirational 3 year old female of solid well constructed breed type. Scores well in head with proportionate length of muzzle and perceptible stop. Powerful neck easing into clean well angulated front assembly and straight limbs and tightest of feet. Good length of rib, level topline and powerful quarters giving her the effortless movement required. Put down in super jacket condition. G2 **Shiba Inu O** Wilson's Izaiga Anton Black 18 moth old male that has a good basic overall shape and size but needs better body covering to be at his best. Enough shape and length in ribbing, topline firm at all times thanks to his overall toning. Easy in his stride with good coverage all directions. **Shih Tzu L** 1 Rault's Santosha King Of The Lions 14 month old male at that "in between" stage today. under his plush jacket he is well constructed and toned. Correct head ratios and shape with well set ears and dark round eyes. Strong neck to good forehand with fairly straight limbs and compact feet. Easy ground covering movement in any direction. Shown in full jacket of good texture. 2 Gordon's Mapimakastar Goldie Joi Jas at Cavateena 18 month old female and similar remarks as winner regarding the development stage. Broad in skull and strong in muzzle. Dark well set eyes and low set ears. Moderate angulation fore and aft allowing a steady and fluent movement with complete soundness. Well presented in dense clean jacket. **OD** 1 Rault's Cavateena Autumn Whisper 4 ½ year old male. Strong proportionate head with dark round eyes, ears set and carried well. Muscular neck into moderate forehand. Firm in topline, defined in quarters and sound in all directions on the move. Well put down in jacket and toning. **OB** 1 De La Cour's Coursani Sand Queen What a star this precocious 2 ½ year old female is. She came in stood and defied you to look away. Super head shape for size and balance with appealing dark round eyes and well furnished ears that she carries to perfection. Forehand is from the top drawer for angulation and muscle toning. This is mirrored to a "T" in her defined hindquarters which is why she moves so efficiently at all times and direction in perfect harmony with her young capable handler. All this is topped with a jacket that is prepared to the enth degree to complete what is a model picture. BOB G1 & later in the day still as fresh as a daisy she took BIS 2 Well done. 2 Gordon's Mapimakastar Goldie Joi Jas at Cavateena **Tibetan Spaniel L** 1 Garforth's Souska Dancing In The Smoke 3 year old female that is balanced all through but I would have liked a bit more of her all over. Good head to handle strong yet feminine throughout. Moderate angulation fore and aft with good body toning. Well ribbed up, firm in back and topline. Moves with an easy stride covering the ground cleanly. Shown in very good jacket. 2 Garforth's Welbarn Country Gent 2 year old male with the same sire and same remarks although he does have a larger framework, but not so well controlled or schooled in the ring.

Tibetan Terrier O 1 Le Moignan's Waterley Honey Rider at Fideletchan Strong upstanding 2 ½ year old female that is good for overall type and construction. Good head to handle proportionate and strong without being coarse or overdone at all. Well angulated front and rear allowing a harmonious movement when seen from the side and true coming or going. Comes to rest four square with no help from her handler. put down to the minute in jacket. G4 2 Le Moignan's Waterley Moneypenny 6 ½ year old female with same sire but smaller set than her kennel mate although just as well made under her plush jacket. Strides around the ring with purpose and an efficient stride. Shown in full bloom. **AVNSC Utility O** 1 Simmons & Simmons' Wildax Stravinsky at Kaladash [Boston Terrier] 6 ½ year old male. Oozes breed type, super head to handle with strength in jaws and dark round eyes that have a certain look of alertness. Powerful neck of sufficient length to allow correct head carriage. Moderately angulated front and rear. Well developed in chest and sprung in ribbing. Uses the ring to his benefit on the move with a jaunty easy stride. G3 2 Symphorien's Kalokairies Iggy Azalea at Rienmour [Dalmatian] 3 year old female that scores in head shape and ratios with strong jaw line and full dentition. Muscular neck into moderately angulated front assembly supported by strong straight bone and tight feet. Well ribbed up, topline and back strong and firm at all times. Effortless on the move with clean footfall.
