

Judges Report – Mark Beardow

The Kennel Club of Jersey Winter Championship Show Sunday 16 November 2025.

Who'd be a show secretary! One Judge had to withdraw due to illness, then an airline collapses, thankfully Martin Sanders made it on the last flight. Even for me living just across the water in Guernsey was still a nightmare for the Society to get me there. I made it eventually, a massive thank you to everyone involved and a big thank you to the exhibitors for accepting me as a replacement judge and my placings. I would also like to thank Julian, my steward, who was just superb.
