

## Channel Island Dog of the Year- Agility

Hosted by The Kennel Club of Jersey and Agility for Jersey

I would firstly like to thank the Kennel Club of Jersey for inviting me to judge, what was, my last ever judging appointment.

This was supposed to be held at the Royal Jersey Showground, but because of the wet weather leading up to the show, the Kennel Club of Jersey together with Christine Marett and Angie Seedhouse had the foresight to move the agility indoors for the safety of the dogs and handlers. A heartfelt thank you to all that was involved with those last minute arrangements.

Another huge thank you goes to Janine Masterman for accommodating me in their home, and for making me feel 'part of the family' as usual.

The competition started with an invitation event of agility and jumping rounds. This warmed the competitors and dogs up for the final in the afternoon. Congratulations to all the winners of these.

The finals of the Agility Dog of the Year 2025 ran smoothly with all competitors running and attacking the courses I had set with enthusiasm, showing off their skills to the highest level.

Congratulations to the following winners and runners up
