WORKING GROUP**LEONBERGER**

Open 1st BOB Simden Broadway Your Song (Germain)

Appealing type of male. Lovely head with correct muzzle and planes, and was pleasing in eye colour with a kind expression.

His dimensions were correct and he was muscular and well balanced. His topline was firm and straight but obscured by an abundance of coat over his croup. Good tempered and sound enough on the move.

2nd Bedeburn Gan Canny (Rudd & Channing-Rudd)

Another male, slightly younger than winner. Very nice type, with good head and expression, balanced all through and has a beautiful coat. He pressed the winner hard but as yet needs to tighten in front movement. His youthfulness showed today, he just needs to mature further.

AV IMPORTED REGISTER WORKING

Open - 1st Best AV Import Edison-Eiger Vom Rickental (Sharrock) (Entlebucher Mountain Dog)

8 years old solidly built lad. Super type, good size, and has a well balanced outline. Decent head, well proportioned, and the right shape. Well set ears. Correct eye shape and lively expression. Puppy 1st Petwalk Just Puff Off (Walker) BPIB

Powderpuff bitch, very sweet and graceful. Pleasing head, well chiselled and balanced. Super dark eye and alert expression. Soundly built and cleanly made body with fine bone and typical feet. Properly set tail carried well on the move. Sound happy mover. Good coat with the required soft veil.

Open 1st Petwalk Naked Attraction (Walker) BOB

Another high quality bitch, appealed for her breed type. Correct head, smooth with lean muzzle and tight lips. Dark eyes and good expression, with well set ears. Super balanced body and was definitely supple! Muscular firm quarters, well angulated front and rear, so consequently moved soundly.

Coat was pleasing with flowing crest on neck, and skin was smooth and fine. Lovely temperament, full of personality.

PAPILLON

Puppy 1st Invanse Onlyfans (Church) BPIB

Tri male, typical young man, developing well. Super head, well marked, with good skull shape and defined stop. Well shaped eye with good expression, and has the typical Papillion ears. Young in body as yet, but all the essentials are there. Correct bone and feet, well set tail and in lovely coat. Sound and happy on the move.

Open 1st JSY Ch Forepaws Dutch Courage for Invanse (Stewart-Smith/Church Cooper) BOB

Tri dog, of super type. Like the puppy he has a lovely head, with well shaped eyes and most importantly, well set mobile ears. Shapely all through, well balanced outline with a decent front and rear. Correct, well presented coat. Sound happy mover, light and dainty.

TERRIER GROUP

CESKY TERRIER

Open 1st Jsy Ch Gayteckels Musical Melody PDH (Marett) BOB

Lovely type and the correct size. Pleasing in head shape, with good earset and shape. Friendly expression and has good eye colour. The body is the right shape, and well made all through with the correct topline. Good bone and feet, decent hindquarters with impressive muscle. Really good coat and sound on the move.

2nd Gayteckels Bottoms Up (Marett) PdH

Very close up to winner with much of the same attributes. . Another super type, with a balanced outline, good front and feet and moved well. Excellent coat. Just preferred the topline of the winner.

IRISH TERRIER

Open 1st CH/INT CH/PL CH Amberville No One like You (Kucza) BOB

typy Irish bitch, full of quality. Typical lean head and small dark eye, with the real Irish expression. Ears were well set and neat. Well balanced outline, with decent angulation at front and rear. Well set tail, and sound on the move. Excellent coat, of harsh texture. Close up for BIG.

WHIPPET

Interesting entry, with a difference in size and type.

Puppy 1st Southpoint Yves Saint Laurent Avec Petwalk (Imp PT) (Walker) BPIB

10 months striking male. Well shaped head with correct planes and good ears, with proper eye shape and pleasing expression. Balanced outline with a reasonable topline and decent angulation front and rear. Super bone with correct feet. Excellent front on the stack, but being a typical puppy needs to tighten on the move as yet. Has all the essentials and with maturity could be something special.

Limit Dog 1st Kipiriking Shades Of Yule (Lawson)

Big enough lad and lacked refinement. Nice bone and feet, sound front and rear on the move but has a rather restricted side gait. Good coat.

2nd Eeri Whiter Shade of Pale for Elangeni. (Mottershaw)

Pretty head with pleasing eye. Reasonably balanced body. Slightly over angulated behind. Has a decent side gait. Lost here on his poor front and pasterns.

Limit Bitch 1st Kipiriking Magic de Noel (Lawson)

Sister of the previous class winner. Brindle bitch with a feminine head of a reasonable shape and pleasing expression. Would like more angulation in upper arm but quite a good outline with a decent topline and pleasing in size. Needs to tighten in front on the move.

Open Dog 1st Eeri We'll Meet Again (Officer)

Brindle male, who presented a reasonable balanced outline. Pleasing head with a muscular neck and a decent topline. Correct bone. Has a good side gait but is very wide in front both standing and moving. Needs to lose some weight as this certainly affected his front.

2nd Kipiriking Blue Bandana (Lawson)

Male who has a super eye and expression. Very overweight which spoilt his shape and like the winner is very wide in front. Lacked the breed type of the winner.

Open Bitch 1st Silkridge Jean Genie for Petwalk (Walker) BOB

The stand out in the entry for breed type. Feminine and full of quality. Correct in head shape with good ears and well shaped eyes with alert expression. Has a typical whippet outline, good length of neck, correct topline, and muscular and elegant all through. Moved strongly and smoothly from well developed quarters. Typical bone and feet.

2nd Eeri Thanks for the Dance (Officer)

4 year old bitch, pleasing head and ears, is a reasonable shape in body but lacked the length and elegance in neck of the winner. Not so good in front and pasterns but moved soundly behind. Could lose a few pounds to advantage.

DACHSHUND (MINIATURE SMOOTH HAIREd)

Open 1st BOB Steeledax Mars (Coleman)

Chocolate and tan bitch of pleasing type. Decent head and eye, reasonable length of neck and a nicely shaped body all through. Typical front with slight crook and proper shoulder angulation. Good sternum and depth of chest with a strong topline. Sound and happy on the move.

RHODESIAN RIDGEBACK

Open 1st BOB Colkeririn Nine Of Diamonds RAF (Gallichan)

Most promising young lady of 11 months. Nicely shaped head that's obviously still developing. Well built all through with decent angles both ends and a strong topline and super bone. Excellent ridge.

Moved with purpose displaying good foot fall. Fabulous happy temperament.

AVNSC Hound

Open 1st Best AVNSC Hound Afghan Hound - Ch Brigitte Bardot Grandamak For Zobear (Maloret)
Very typical black female of 7 years. So beautifully balanced in outline, with a feminine head, correctly shaped eye and strong jaw. Well made all through, good topline with prominent hip bones and low set tail. Strong bone and big feet. Correctly prepared with natural saddle. I took all this in and was impressed enough but then she moved. She came alive with super Afghan movement, plenty of spring and definitely a style of high order! This got her the group and then Res BIS.

UTILITY GROUP

LHASA APSO

Open 1st BOB Jsy Ch Petwalk Inspirational (Walker /Journeaux)

Aptly named as I found her very inspirational! Well made, sturdy cream bitch of almost 5, and in her prime. Well balanced head, with pleasing whiskers and beard. Correct in eye shape and colour and has a lovely expression. Well arched neck with proper front construction and decent bone with round feet. Muscular hindquarters and well set tail with required carriage and she was the jauntiest of movers. Her crowning glory was her coat, heavy, with a pleasing texture, perfectly straight with just the right amount and so beautifully presented. In a show full of lovely dogs she was an easy BIS!

JAPANESE SHIBA INU

Open 1st BOB Izaigo Anton Black (Wilson)

B/T well balanced young man, neat and small, pleasing overall shape and nice angulation. Lovely head, well developed cheeks, well set eyes and correct ears. Decent coat and moved well.

BULLDOG

Open 1st Essex Midnight Sky (Cupit)

A sound young bitch, reasonably well made and moved soundly once she settled. Unfortunately she was an unrecognised colour so could proceed no further.

AV IMPORTED BREED REGISTER UTILITY

1st Best AV Import Utility - Xoloitzcuintle (Mexican Hairless) - Sangrereal Black Forest (Syvret)

well balanced young man of the correct proportions and plenty of elegance about him. Typical head

with good planes. Well conformed all through with decent bone and smooth warm skin as required. On the move he needs to tighten in front but he has a good foot fall and a pleasing long stride. Not so co-operative on being examined but he is a teenage boy so he can be forgiven! Once he gets his act together he should do well.

AVNSC UTILITY

Best AVNSC Utility

GUNDOG GROUP

GERMAN SHORTHAIRED POINTER

Open 1st BOB Kavacanne Orzo (Michel)

Excellent type of liver male. Good size with a balanced outline. Really typical clean head and dark eyes with intelligent expression. Well angled in front and rear, with decent depth of chest and a strong topline with a well set tail. Has a smooth and ground covering gait with good footfall.

IRISH SETTER

Open 1st BOB Tiroen The Sky's The Limit (Cox)

Glorious type of Irish bitch who is racy throughout. Lean refined head with dark eyes and a kind expression and well set ears. Decent front construction with an appealing outline and a strong rear. Super and strong on the move, gaiting with purpose and keeping her topline. Shown in beautiful condition with a flat, weatherproof coat.

RETRIEVER (GOLDEN)

Open 1st BOB Astleyfold Snowy Saffron (Rondel)

Cream 2 year old bitch. Reasonable head with pleasing expression. Bodying up nicely and well off for bone with super tight elbows. Well balanced all through. Today she was somewhat sluggish on the move and her movement was rather narrow behind. However she is young and has lots of maturing to do and she is going through the teenage stage at the moment. Well presented in super coat with a happy temperament.

SPANIEL (AMERICAN COCKER)

Open 1st BOB Alabama No Joke At Fielgar (Houghton)

Black male of pleasing type and a balanced outline. Decent head that is well chiselled with correctly shaped eye and an appealing expression. High stationed with a well angled front with tight elbows, good bone and compact feet. Strong quarters that propelled him round the ring. Excellent topline and tailset that he kept on the move. 4th in a quality group, just held back today by a wayward coat.

SPANIEL (COCKER)

Puppy 1st Granrose A Flash of Topaz (White) BPIB

Pleasing type of blue, of just 6 months. Balanced outline, and a nice shape all through. Has a well balanced head that just needs to develop more. Good forequarter construction, strong topline and well developed quarters with decent bone. Moved with good side gait when settled. Typical cocker puppy coat that will keep her owner busy!

Limit - 1st Granrose Tantrum's N' Tiaras (White)

Very merry young lady, reasonable shape and balanced in outline. Decent head, well off for substance and body and super bone. Excellent coat and presentation.

2nd Reidolvalley Florence (Woodman)

Pleasing shape with a balanced outline. Has a good topline but would like more bone. Has an old school look to her, in particular her flat, weatherproof easy care coat – not fashionable but still fits the standard.

3rd Topday Could It Be Magic (Le Masurier)

Open Bitch 1st Wilmerella Fantasy at Belcroute (Kezourec) BOB

Well balanced blue bitch who has type and substance in abundance. Balanced pleasing head with well shaped eye and soft expression. Good length of neck and strong well muscled quarters.

Fabulous bone and well padded feet. Moved well holding her topline, and using her properly carried tail. Shiny weatherproof coat.

2nd Jsy Ch Granrose Blue Topaz (White)

Another cocker full of breed type. Balanced head, strong body, good topline and plenty of substance. Well presented coat of good texture. Not quite the profile movement of winner and slightly proud of her tail today.
