

TUDOR ESTATE RESIDENTS ASSOCIATION (TERA)

Dear Residents

Here is an update from us regarding the continued performance of Tudor Estate Residents Association. All residents on the estate whether they are current members or not are receiving this in paper format

TERA Membership & AGM

The membership year for TERA runs from 1st June to 31st May each year. Our AGM, which had been planned for Thursday 7th May, has been cancelled because of the Coronavirus. As all members of the current committee are prepared to carry on in-post we believe the best course of action is for us to continue as is.

TERA Committee

Your committee members are as shown below.

Debbie Adye	Chair	Betty Newbury	Committee member – Social Secretary
Nic Moore	Vice-Chair / Projects	Kate Taylor	Committee member – Website
Secretary	Jamie Thomson	Brian Smith	Committee member – Events / adhoc
Avtar Sahi	Treasurer		

We will provide our usual annual reports as normal so you can have a catch up on what we have been doing on your behalf. Because of the size of the content it will not be possible to post the information on the notice boards or print and deliver it and so it will only be available to view on the website from 1st June www.terahanworthpark.btck.co.uk

Membership

Renewal – We have been lucky in the last couple of years with no crisis on the Estate needing funding, so we have some money in reserve. In these unusual times we have decided that if you are currently a paid-up member then **your membership will automatically continue from 1st June 2020 to 31st May 2021 with no payment required.** Of course, if you feel you want to make a donation to funds regardless, you are very free to do so.

Becoming a Member - If you are not a current paid-up member then **joining costs £5.00 per year per household.** Please just fill in the form overleaf and return it with your payment

What is Still Going On.....

Book Club

The club is still operating with the group catching up by Email. If you have not joined but find yourself with more time on your hands than usual and want to get involved, please get in touch with Betty Newbury (lovejoybsh@hotmail.co.uk tel. 020 8844 2295, 42 Queens Avenue)

Books / DVDs

If you have books to get rid of then put them outside by the edge of your property on Sunday mornings for others to pick up if they wish. There are a number of DVD's to borrow available from 89 Queens Avenue. If you want a copy of the list please Email Tudorestatehanworthpark@gmail.com

V E Day

We are all "doing our bit" and we think the recent commemoration with some social interaction (from a distance) did a lot to raise the spirits. This was helped along by excellent weather, lovely ice-cream, music to get us in the mood, and in many cases imbibing of liquids and BBQ !

Christmas

At the time of writing we have every intention of holding our usual Christmas Social providing the virus situation allows, so please put Friday 4th December in your diary

Traffic / Pedestrian News

A reminder that the 20 miles per hour imposed by Hounslow Council & TfL applies to ALL OF US. Right now, there are vehicles racing down the roads thinking that the 20 mph limit no longer applies, well it does and it's there for our protection so please keep to it

Litter

Whilst you are out for a bit of fresh air why not pick up that bit of litter and put it in the bin when you get home. We are all seeing a lot more of our local roads right now than usual so let's make it as nice as possible for everyone. If the refuse collection leave a bit of rubbish on the pavement/road on a Thursday please get rid of it so we don't all have to look at it day, after day, after day.....

Garden, Trees & Verges

The very small trees provided by the London Mayor that we planted last year have almost all failed. Let's be sure we do our best to keep the trees we have by watering the newer ones with less established roots in prolonged dry spells.

Some of our grass verges continue to show signs of misuse. Please don't park on the grass verges or let your visitors do so unless it is a real emergency. If you are having works done to your home and the verge becomes damaged please see it as your responsibility to put this right. It is unfair for you/your visitors to trash the verge and then the rest of us have to look at the mess. You have chosen to live on an estate with grass verges and trees so please respect this and show consideration for your fellow residents.

Coronavirus / COVID 19

These are frightening times. Some of our residents are employed in the health/care service or other essential jobs and are working very long hours at personal risk along with the possibly of passing infection on to their families. Our grateful thanks goes to them for their dedication. With some children due to return to school in the coming weeks we also know of the stress that will bring to the children themselves, parents and returning teachers. There are also residents who have already lost loved ones to this dreadful disease and our thoughts are with them at this sad time.

Please don't forget your elderly / self-isolating neighbours who may not have access to Email / internet and are at a great disadvantage in even being able to reach out for help. Please don't assume someone else is looking out for them. It only takes a couple of minutes for you to knock on their door, stand back and then ask them if they are OK / need some shopping or a trip to the pharmacy. If they don't need assistance you may still be the only person they speak to that day...or that week. We pride ourselves on "Tudor Estate – a great place to live" – this is our time to prove it !
