IMPORTANT - Please read our site & safety rules before signing to accept the contents of our waiver.

Any person wishing to attend an event **MUST** sign to confirm that they have read, accept and fully understand the contents of this insurance waiver, and our site / safety rules.

THE MINIMUM AGE FOR PLAYERS IS 12 YEARS OF AGE.

Persons attending the event who are under the age of **18 MUST** get a parent, guardian or nominated adult to sign on their behalf.

12 -13 YEAR OLDS MUST HAVE A RESPONSIBLE ADULT PLAY ALONGSIDE THEM.

I wish to attend and participate in an event organised by TeamGreen Airsoft and sign this form to confirm that I have read the above-mentioned documents and that **I FULLY** understand the following;

1) The games can be both physically and mentally intense and a certain degree of physical fitness may be required to obtain the best experience. There may also be **LOUD BANGS & SMOKE** during game play.

2) I agree to wear safety clothing provided by TeamGreen Airsoft, in particular **FULL-FACE** protection masks, which I will wear and **ONLY REMOVE** when instructed that it is **SAFE** to do so. All limbs **MUST** be covered during game play.

Over 18's may wear their own eye protection (a minimum of safety glasses / goggles) providing it meets the required safety ratings. Any eye protection which cannot be verified with a visible check will need to be tested by having a 6mm BB fired at 500fps point blank range before it can be used.

Over 18's can opt to have limbs **NOT FULLY** covered; however, this is at their own risk and against the advice of TeamGreen Airsoft.

UNDER 18's MUST WEAR FULL FACE PROTECTION WITH ALL LIMBS FULLY COVERED.

3) I understand the games **CAN BE DANGEROUS** if the rules & safety guidelines, which I have read and understood, are **NOT** followed correctly.

4) I understand that pyrotechnics are used both by TeamGreen Airsoft and by individual players providing they are over 18 years of age. I confirm that any pyrotechnics used by myself are at my own risk and have not been modified in any way. I agree to use them within the safety guidelines outlined and have declared any pyrotechnics brought with me to the site Marshals for approval.

5) I understand that during an event **I WILL BE SHOT AT** by other players and accept at close range this may sting. I agree **NOT to DELIBERATELY** shoot any person in the face or head when I am presented with the opportunity for a body shot.

6) I understand that the event may be held in areas where there may be certain ground hazards, and trips / falls may occur especially in the dark or wet conditions.

I THEREFORE CONFIRM AND AGREE THAT:

A) I am **FULLY AWARE** of the risks involved to myself and others in taking part in events organised by TeamGreen Airsoft and **I ACCEPT** the hazards that may be on site.

B) I will conduct myself in an orderly manor and comply with the rules of game play and follow any instructions given to me by the game Marshals. I will use any equipment as instructed to do so, so as not to cause injury to myself or others.

C) I agree to wear the **FULL-FACE** protection as supplied by TeamGreen Airsoft during game play and I **WILL ONLY** remove it when advised that it is safe to do so by a game Marshal. If I choose to wear my own face protection, then I confirm that it carries the necessary CE approval marking and is at my own risk. As a minimum I agree to wear glasses/ goggles. I also agree to wear any other safety clothing provided by TeamGreen Airsoft. Should I opt to not have all limbs fully covered this is at my own risk. I also understand that it is my **OWN** responsibility to wear suitable footwear. (Preferably boots, not trainers)

D) I am physically fit and able to take part in the games; I have **NOT** had an operation within the last 12 months and understand that taking part could aggravate any such recent surgery. I have **NO** ongoing medical issues that could be aggravated by taking part in the games. I **DO NOT** suffer from high blood pressure, epilepsy, heart conditions or anything else which I believe could be aggravated by taking part. It is **MY** responsibility to inform TeamGreen Airsoft of any medication / allergies or minor medical conditions which I think could be relevant.
