Thank you for your booking

COVID 19 INFORMATION

- It is paramount that your stall is set up with social distancing in mind. Any stalls that are not set up accordingly will be asked to be rearranged. We all must adapt at this time for us to continue operating safely.
- Masks or visors and gloves must be worn in all buildings. Visors are available to buy for £3 each. Indoor traders are advised to wear visors as they protect you and are much more comfortable to work in all day. We will have a stock of masks and gloves for those that need them, and these are free of charge.
- Indoor stalls will be positioned at least 2ft apart. Traders must respect this space. Anyone filling this space will be asked to rearrange their stall. We have half the number of indoor traders to allow for this.
- Indoor will have a one-way system in place. There will be fencing in the centre of the building to denote not to cross. Traders will be asked to not set up within this space. There will be one way in and one way out. Fire exits will be open but taped to stop people entering through this door.
- Sanitising stations will be positioned all around the showground.
- The handling of items should be discouraged unless the person plans on purchasing it. It is the responsibility of the traders to sanitise any items that have been handled.
- Catering will have outdoor seating only available in the day.
- The rule of six applies so please adhere to this.
- Toilets and showers will be open. Sanitising products will be provided, and they must be cleaned before and after use.
- Lastly, all of us have a responsibility to keep each other safe so let us not forget the situation but have an enjoyable fair.

Pitch size

- Outdoor Pitch – Approx. 32ft / 32ft (10m / 10m) – this is a guide. However, we ask that you follow the instructions given by the marshal when parking. We would however kindly request that you respect the exhibitor next to you. Anyone with a van & trailer or two large vehicles will be charged for two pitches (excluding caravans), we simply ask for all exhibitors to be fair.
- Single Indoor Pitch – 8ft / 6ft including one 6ft table.
- Double Indoor Pitch – 14ft / 6ft including two 6ft tables.
- Triple Indoor Pitch – 20ft / 6ft including three 6ft tables.
- Indoor Furniture pitch - 16ft / 16ft (Oswestry) 12ft / 12ft (Shrewsbury). Electrical and Display Equipment Electricity is limited within the buildings. Extension leads are NOT provided by the organiser. Exhibitors are only permitted to use lights requiring no more than 300 watts per stand. We will make every effort to get you near an electric point. Please request this when booking for Shrewsbury Flea but please be aware that this may not always be possible at this venue.

Caravan Hook Ups

There are facilities at Oswestry & Shrewsbury for electric hook-up on site for caravans. At Shrewsbury Flea most of these hook-ups are located on the opposite side of the showground, however, there are four electric hook ups available within the immediate fair area and a further eight nearby. There are several hook ups available at Oswestry within the show area. To reserve one of these hook ups you will be required to Prepay for two days for an 'electric pitch'. Priority will be given to those requiring hook ups for medical reasons.

Although we will endeavour to get you near the pitch of your choice this may not always be possible. Pitches will be marked with a number and we will allocate the next available number on arrival. This makes it easier for parking of caravans and motorhomes.

www.josevents.co.uk

In order to be able to accommodate all of those who wish to book electric pitches we may need to mark out a guide to be followed which will be approx. 10m / 10m.

Extra Tables

Extra tables need to be pre-booked under the fair and they are priced at £5 each. You can do this by contacting us direct at the email below and will need to pay cash on the day. Traders who wish to bring their own tables are welcome too, but they **MUST** be placed within the allocated space, either in front or to the side (L shape).

General Information

- Please help us to ensure easy unloading for you all by parking sensibly around the buildings. Staff may ask you to move your vehicle if it is causing an obstruction.
- All Indoor traders must move their vehicle and park in the allocated parking area by 7:30am.
- Please do not place nails or screws in any walls or partitions belonging to the venue.
- Space is limited indoors so we ask that you adhere to the space allocated to you & respect your neighbour.
- Well behaved dogs on a lead are welcome.
- You are required to do your own risk assessment when setting up and all items left overnight are left at your own risk. We strongly advise market trader & public liability insurance.
- All stands must remain fully stocked until close of fair.
- Outdoor pitch size is approx. 10m / 10m (32ft / 32ft), this is a guide. Electric pitches may be marked.
- Showers and toilets are available on site. Showers will be open between 6- 8pm Saturday at Oswestry and 24hrs at Shrewsbury.
- The nearest cash machine to Shrewsbury Flea is in Shrewsbury Town centre and Oswestry is Oswestry town centre. Social Media Please make sure you share our event pages on Facebook, Instagram and Twitter so we can get as many customers as possible and make it a great fair!
