# Our Mission

Friends of the Hilton Head Library is a non-profit organization whose mission is to promote literacy and encourage the pursuit of lifelong learning through the use of our library's resources. We raise funds to help our library deliver premier public services and resources for our community that are not anticipated to be available from county and state funding.

# How We Benefit the Library

We support Bookmobile South's excellent community outreach with funding for fees and materials!

We fund the leased book subscription plan as well as several magazine and newspaper subscriptions.

We fund the Lucky Day Collection which provides extra copies of popular books.

We provide funding for the continuing education of library staff.

# How We Benefit the Library

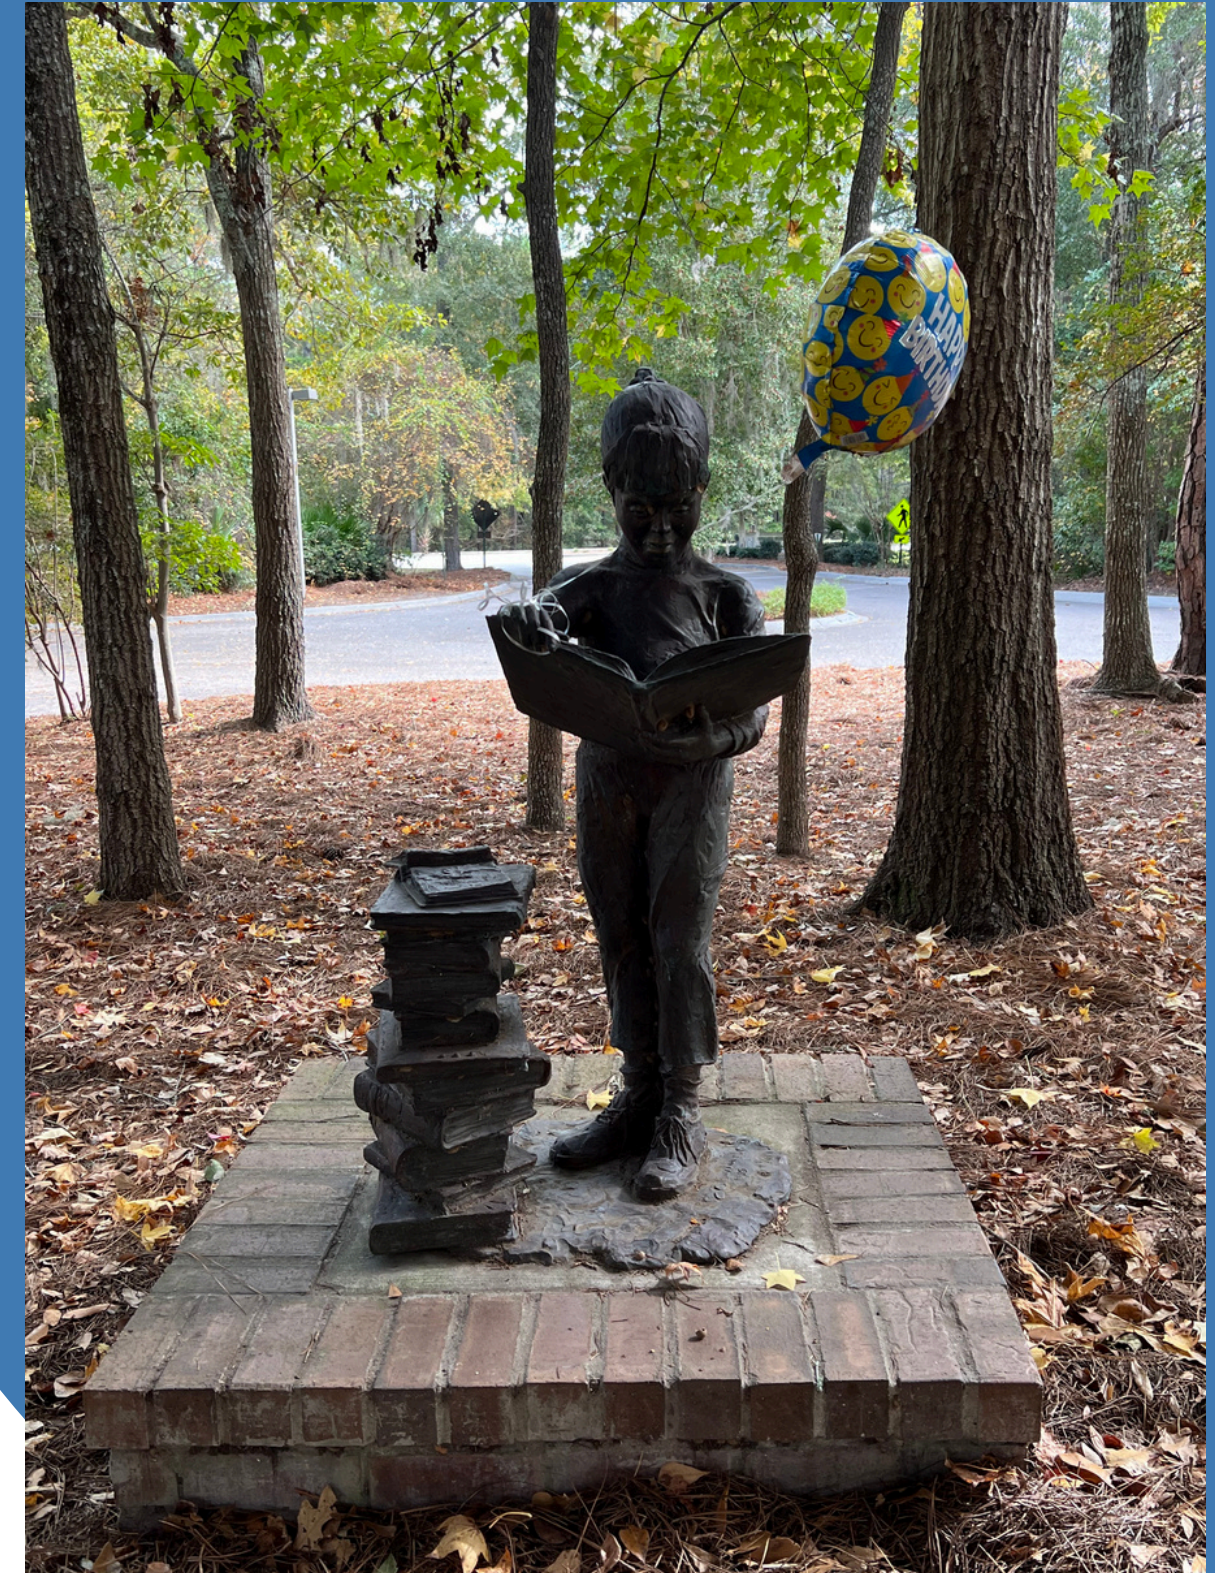

We provided a new bench for outdoor seating.

We provide additional funding for the annual Summer Reading Program and the new Winter Reading Program.

We purchased an additional SC State Park Pass.

We maintain an online subscription for the Lego Robotics program.

We provide additional funding for programs, materials, and special events like Children and Adult craft programs.
