COMMENTARY

This word for word translation of the Arabic text of the Qur'ān is an attempt towards a literal translation, keeping its grammatical form in view e.g. noun for noun, verb past tense for the same etc. The imperative form of the verb (amr, nahy and third person imperative) have been denoted by an exclamation mark (!) Muḍāf and Muḍāf ilaih (possessive noun) is marked with (of). Maf'ūl lahi (causative object) is indicated with (due to) etc.

The reading of the word for word English translation should be done from the right to the left as for the Arabic text. The running English translation should, however, be read from the left to the right.

This effort has been made primarily for the students of our Institution. No detailed explanation has been given in this edition. However, the student is provided with a blank page alternating with the Qur'ānic text. This should be used for notes. We recommend that the student supplement this book with the study of few other books. For this combined study we suggest the use of the following: -

Al Qur'ān al Karīm
Tarjumah wa dirāsah
The Qur'ān translation & Study
Jamal-un-Nisa bint Rafai, Ph.D
(London)

- A Textbook for the Classroom
Senior level general
Arabic Text Translation Explanation + Vocabulary
Compiled and edited by Abidullah Ghazi .
Iqra' International Educational Foundation, Chicago
A Study of part _____ of the Qur'ān
- English translation of the meaning of the al Qur'ān, The Guidance for Mankind By
Mohammad Farooq-i-Azam Malik. Institute of Islamic Knowledge, Texas U.S.A.
(This is the Qur'ān which we have used for the running commentary below our word
for word translation)
- Plus, any good translation of the Tafsīr e.g Translation of the Tafsīr of
S. Abul- A'ālā Mawdūdī.

May Allāh Subḥānahū wa ta'ālā forgive us our mistakes and shortcomings and may He
bless us all (the seekers of the Divine Truth), Āmīn!

ACKNOWLEDGMENTS

Al-ḥamdu lillāh, all praise and thanks to Allāh (Subḥānahū wa ta'ālā) for His blessings and favours on us. Our sincere gratitude to Al-Huda International, to Dr. Farhat Hashmi and everyone involved with this Institution, for opening up the Book of Allāh for us, thereby helping us understand our Dīn and making Islam a practical reality. We have learnt not only to be proud of being muslims, but also to be humbly grateful to Allāh Subḥānahū wa ta'ālā for this Blessing. As the Qur'ān states in Surah Al-i-Imrān, verse 110:

"You (O Believers) are the best community raised up for mankind, you enjoin what is right and forbid what is wrong, and you believe in Allāh."

To do justice to our role as the "chosen community", we must know what that role is. To know it, we must study it; not casually but seriously. To be born of doctor, engineer, or teacher parents does not automatically make us doctors, engineers or teachers. We have to spend years studying whatever we wish "to be when we grow up." Similarly to be a Muslim, and to know Islam, we must be prepared to spend at least some time to study it.

We have made a humble but sincere effort to put on paper what we have learnt here at Al-Huda, hoping to benefit others like us. May Allāh Subḥānahū wa ta'ālā accept this effort of ours and make it into a Ṣadaqah jāriyah for us, Āmīn! The word for word translation is a combined attempt from us, keeping in view that mere translations can never substitute the Divine Original. Translations are mere crutches, to be used only till one learns to stand on one's feet.

We are extremely grateful to Brother Mohammad Farooq-i-Azam Malik of Texas, USA, who has graciously given us permission to copy his English translation of the Meaning of Al-Qur'ān. We have used it as the running commentary under the word for word translation.

We are also grateful to Dr. Zia ul Haq, the Head of Arabic Department of the National Institute of Modern Languages, Islamabad, Pakistan, who has been kind enough to take the time to revise and correct our work with patience. Māy Allah bless all our well wishers, Āmīn!

Once again, our thanks and prayers are with our teachers, those associated (in all capacities) with Al-Huda and our families. May Allāh be pleased with all of us, and grant us Jannat-al-Firdaws, Āmīn! As this is an ongoing project, and we are aware of our shortcomings, we welcome any feedback, constructive criticism, suggestions, or ideas so that we can improve upon this effort in the future. Lastly, we seek forgiveness from Allāh Subḥānahū wa ta'ālā for our shortcomings and any mistakes that we might have made, Āmīn!
