

The General's Son Speaks: Confronting Truth in Israel-Palestine with Miko Peled

Tuesday, September 16, 2025, 6:30pm
At 3S Artspace, 319 Vaughan St, Portsmouth NH

Join us for a powerful and timely conversation with Miko Peled—Israeli-American author, human rights activist, and son of a celebrated Israeli general—who has become one of the most compelling voices for Palestinian freedom and justice.

This event is for anyone seeking to better understand the roots of the Israel-Palestine question and what it means to speak out in the face of injustice.

Come with questions. Leave with clarity. Be moved to action.
