Tuesday, September 16, 2025, 6:30pm at UNH MUB Theater 1

Join us for a powerful and timely conversation with Miko Peled—Israeli American author, human rights activist, and son of a celebrated Israeli general—who has become one of the most compelling voices for Palestinian freedom and justice.

This event is for anyone seeking to better understand the roots of the Israel-Palestine question and what it means to speak out in the face of injustice.

- Copies of Miko Peled's book, *The General's Son*, will be available for purchase; book signing will follow event
- Palestinian handmade products will be for sale before and after the event (ceramics, olive oil, art, embroidery, glass & more)
