

Jewish Voice for Peace Vermont State Candidate Survey 2026

Jewish Voice for Peace is a grassroots, multiracial, intergenerational movement of American Jews organizing with the Palestinian freedom movement. The JVP Vermont-New Hampshire Chapter began in 2017 and now has over 800 members and supporters, and we vote.

JVP is seeking your responses to this state candidate survey for voter education purposes. JVP does not make candidate endorsements. Responses will be shared with local news media and distributed on social media and Front Porch Forum. Please reply no later than July 1. Thank you for sharing your thoughts on these important issues. Please note that there is room at the end of the survey for any additional comments or clarifications you would like to add.

1. Do you support calls for an end to U.S. military funding to Israel and an arms embargo on the Israeli government?

Yes/No/Comments

2. Would you support a resolution that calls for equal rights for all people, including Christians, Jews and Muslims, living in Israel-Palestine?

Yes/No/Comments

3. Would you oppose any Vermont legislation that limits people's First Amendment rights to criticize the government of Israel or the political ideology of Zionism? Do you agree there should not be limits on free speech, including participation in actions such as marches, and campaigns for boycott, divestment, and sanctions (BDS)?

Yes/No/Comments

4. Would you oppose any legislation that equates criticism of the state of Israel, or criticism of the political ideology of Zionism, with antisemitism?

Yes/No/Comments

5. In your campaign for state office, will you decline support from organizations, including AIPAC and aligned individuals with a record of lobbying in support of military funding and weapons to Israel?

Yes/No/Comments

Do you have any further information or comments you would like to share?
