Exclusive Distribution Agreement Extended Between J&S Franklin Ltd and Spearpoint Solutions and Technology

J&S Franklin (Holdings and Management Services) Limited is pleased to announce the extension of our Authorised Exclusive Distribution Agreement with Spearpoint Solutions & Technology Pty Ltd for the DefenCell® cellular protection systems across Australia and New Zealand.

This extension, now in effect until May 2027, follows the outstanding work by Spearpoint in establishing the DefenCell product range in the region—most notably during the 2024 flood relief efforts in Australia.

We value our strong relationship with Spearpoint and look forward to a long and successful partnership in delivering proven, effective protection systems across both countries.
