

Going together ... Going Far

A cooperation with Prime Studio for architectural solutions - one of the industry's most prominent companies- was conducted to achieve one of the best summer experiences.

This cooperation led to what we love to call "A summertime beyond your expectations."

About Plaza Gardens:

Over the last 15 years, Plaza Gardens for development was an efficacious part of the urban development in Egypt with various projects in the country's most prime locations.

In Plaza Gardens, we strive to exceed our clients' expectations by providing the best services and facilities in all of our projects while applying international quality standards.

Our role doesn't stop after the completion of the project. In Plaza Gardens, we keep it going, prioritizing our residents' satisfaction and always maintain a follow-up methodology to meet our clients' expectations.

Rhodes North Coast ... Your ultimate summer experience

Rhodes North Coast is one of Plaza Gardens' leading projects.

Rhodes North Coast is the first hotel-like hospitality resort on the North Coast, While 130 acres have been allocated for the project to give its residents the privacy they have always searched for, where all units have a sea view to provide you with an extraordinary experience.

The project area was divided into landscapes, swimming pools, lakes, and various facilities to enhance your whole summer experience.

Rhodes North Coast is 120 minutes away from Cairo, located in one of the most charming spots on the Mediterranean sea (Grawla Bay).
