TO: All Principals
FROM: Daisy Naya, Controller 
SUBJECT: 2022-23 School Financial Report

Senate Bill 1546 enacted by the 1997 Legislature requires school districts to report certain financial information, in the form of a school financial report, to parents/guardians.

To comply with this mandate, we have placed a copy of your 2022-23 school financial report on the [dadeschools.net/schools'](https://www3.dadeschools.net/schools/) information web page <https://www3.dadeschools.net/SchoolInformation> (Please use Google Chrome to open the link, not all web browsers are supported). You will need to search for your school, and the report will be under the Resources section, School Financial Report link. The attached letter from the Superintendent and the single report page pertaining to your school must be distributed to the students' parents or guardians. The purpose of this report is to better inform parents and the public concerning how revenues were spent to operate the school during the prior school year.

This report was compiled from the District's financial records and the FEFP Program Cost Report data provided to the Florida Department of Education. Any questions regarding this report should be directed to the Office of the Controller, Cost and Business Services, at hernandezs2@dadeschools.net.

This is a mandatory requirement that must be met without exception. Thus, your full cooperation is necessary to fully comply with this mandate.

**THE ATTACHED LETTER AND REPORT MUST BE
DISTRIBUTED TO THE STUDENTS'
PARENTS OR GUARDIANS**
