Join our Boxer Clan!

Our Wait List Membership is now OPEN!

If you know that you need a Boxer Puppy in your life - and you know that only the coolest Boxer Puppy will do, our Wait List Membership is for you!

Here at Moss Grove Boxers, we like to do things a little differently to most other breeders around. We try to bring a modern flavour to dog breeding - no more being treated as an un-worthy applicant by stick-in-the-mud breeders here!

We know that Boxer families come from all sorts of backgrounds; with & without kids, with & without other pets, from farms to suburban backyards, and long-time Boxer owners to those who are new to the breed. Rather than discriminate against you, we choose to support you and offer guidance where-ever it may be needed.

We strive to provide a superior service, from your initial enquiry right throughout the lifetime of your Boxer.

With our new YouTube Channel you can get a glimpse into the fun we have here at Moss Grove, see our puppies and our adult Boxers clowning around (we'll be adding lots more to our channel soon)!

We have a Facebook Page & Group, where questions can be asked and answered by all those in our Moss Grove Boxer Clan.

And of course, there is our Website, which is consistently being added to and updated. How often have you found a breeder's webpage only to see that it comes straight out of the 90's - not very reassuring hey?

At Moss Grove Boxers we find that Transparency Triumphs and this is the backbone of how we run our Wait List Membership.

When a litter is born everyone who is a Wait List Member will be notified. You will receive 1 photo of each puppy of the day the pups are born and 2 photos of every puppy each week thereafter.

Once the puppies reach 3 weeks old, we will officially open up for selections to be made.

To assist with the selection, we encourage our Wait List Members to come and visit the pups here in person. We do understand that this isn't always a viable option for some people, due to where they live or other commitments that may clash with the timing.

To help with these situations we also make videos of the pups at 2 - 3 weeks old. We endeavour to have clear footage of each of the pups on their own so you may have a good look at them, and of the pups playing together so that you can see them running around doing what puppies do best, play!

There are two ways to join
so,
How Does It Work?

Wait List Membership: The Golden Ticket!

If you choose to sign-up for an exclusive Golden Ticket Membership, you will have the option of Pick of the Litter! The Golden Ticket bumps you to the top of our wait list and give you the exclusive option to choose from an entire litter of puppies. Selection will be required to be made before the pups turn 4 weeks old.

Only 1 Golden Ticket Membership will be available for each gender of the litter.

Wait List Membership: Customary Membership!

If you choose to sign-up for our Customary Membership, you will be added to our wait list in order by the date your submission has been accepted. Our Customary Wait List is numbered from 3 onwards (with the top positions reserved for our Golden Ticket Members).

As we work our way down the list you will be offered the opportunity to select which puppy you would like to join your family. Selection will be required to be made before the pups turn 4 weeks old.

You may choose to up-grade to a Golden Ticket Membership at any time if there is still a ticket available.

Currently the price of our Boxers puppies is \$3,800.

Signing-up for our Wait List Membership locks in our price for you so that if there are price increases, you will not be affected.

Our **Golden Ticket Membership** is priced at \$2500.

Our **Customary Membership** is priced at \$300.

The Membership What Ifs & Worries

What if:

There isn't a puppy in this litter that I want (not the desired sex or colours perhaps)?

What if:

The time isn't right (life can change fast and our pups might not arrive at a time that will work out well for you)?

No worries:

You can choose to wait until our next litter, or you can choose to have your membership refunded*

What if:

I have fallen in love with a Boxer puppy from another breeder? - Oh, how could you?!

Lots of breeders really frown on this - so much so they will band together with all the other breeders they know and blacklist you on everyone's lists! However, Moss Grove Boxers totally get it. While we know our Boxers are stella, I haven't met a Boxer anywhere I didn't like. Things happen, life's too short to be cruel.

No worries:

For this reason also we offer a refund*

***Refunds:** Wait List Memberships are refundable minus a small administration fee of \$50.

When you make your selection, a deposit will be required immediately to hold your chosen pup just for you.

Deposits are refundable only if there is a health issue identified by our veterinarian when the pups have their health check at 6 weeks old.

Deposits are \$500 for all wait list members.

The balance remaining from our \$3,800 price will be payable either; 5 days prior to collection of your puppy if you are paying via internet banking, or if paying in cash, when you collect your puppy.
