Hi Friends!

My name is
**ANGEL L.
BOLQUES, JR.**

and I am your
Senator-at-Large
for the
**United States
Virgin Islands!**

I love meeting children,
visiting schools, helping our
communities, and celebrating
everything that makes our
islands special.

In this coloring book, you'll discover some of the
things we've accomplished together! You'll see **real**
pictures and learn about:

Helping animals in need

Supporting our seniors

Protecting babies through the Safe Haven Act

Supporting youth sports and recreation

Celebrating Virgin Islands culture

Helping our schools and communities

Creating opportunities for
children and families

I was born on
St. Croix, raised on
St. John,
and I work every day
for the people of
St. Croix, St. Thomas,
and St. John.

WHAT IS A SENATOR-AT-LARGE?

A Senator-at-Large is a leader
who is elected by the people
of the entire territory,
not just one district or area.

That means I represent
EVERYONE in St. Croix,
St. Thomas, and St. John!

I help create laws, make important
decisions, and fight for what is
best for our people and
our future.

Who knows? One day, **YOU** might
become a teacher, doctor, firefighter,
artist, veterinarian, or even a Senator!

Never stop dreaming, learning,
and believing in yourself because:

**"Our children are our
greatest investment."**

Your Friend,

Angel L. Bolques Jr.
Honorable Senator-at-Large
Angel L. Bolques, Jr.

Now grab your crayons, markers, or colored pencils
and let's have some fun while learning about our
beautiful Virgin Islands!

See you inside!

FROM AN IDEA TO A LAW!

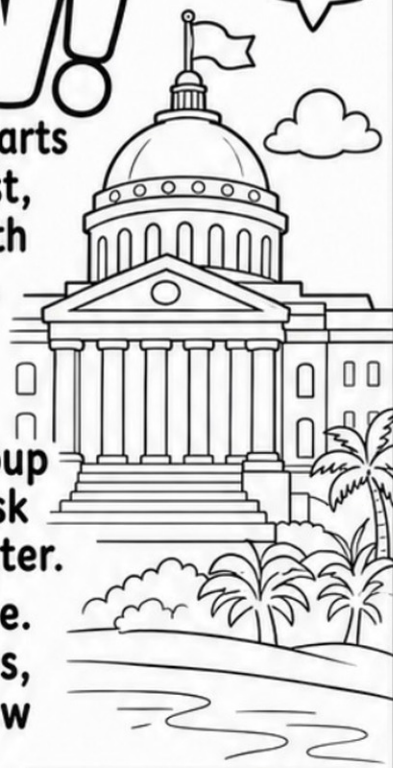

Did you know a law starts as just an idea? First, someone comes up with an idea to help people.

Then a Senator writes it down as a 'bill.'

The bill is studied by a group called a committee, who ask questions and make it better.

Next, all the Senators vote. If enough Senators say yes, the bill becomes a real law that helps our islands!

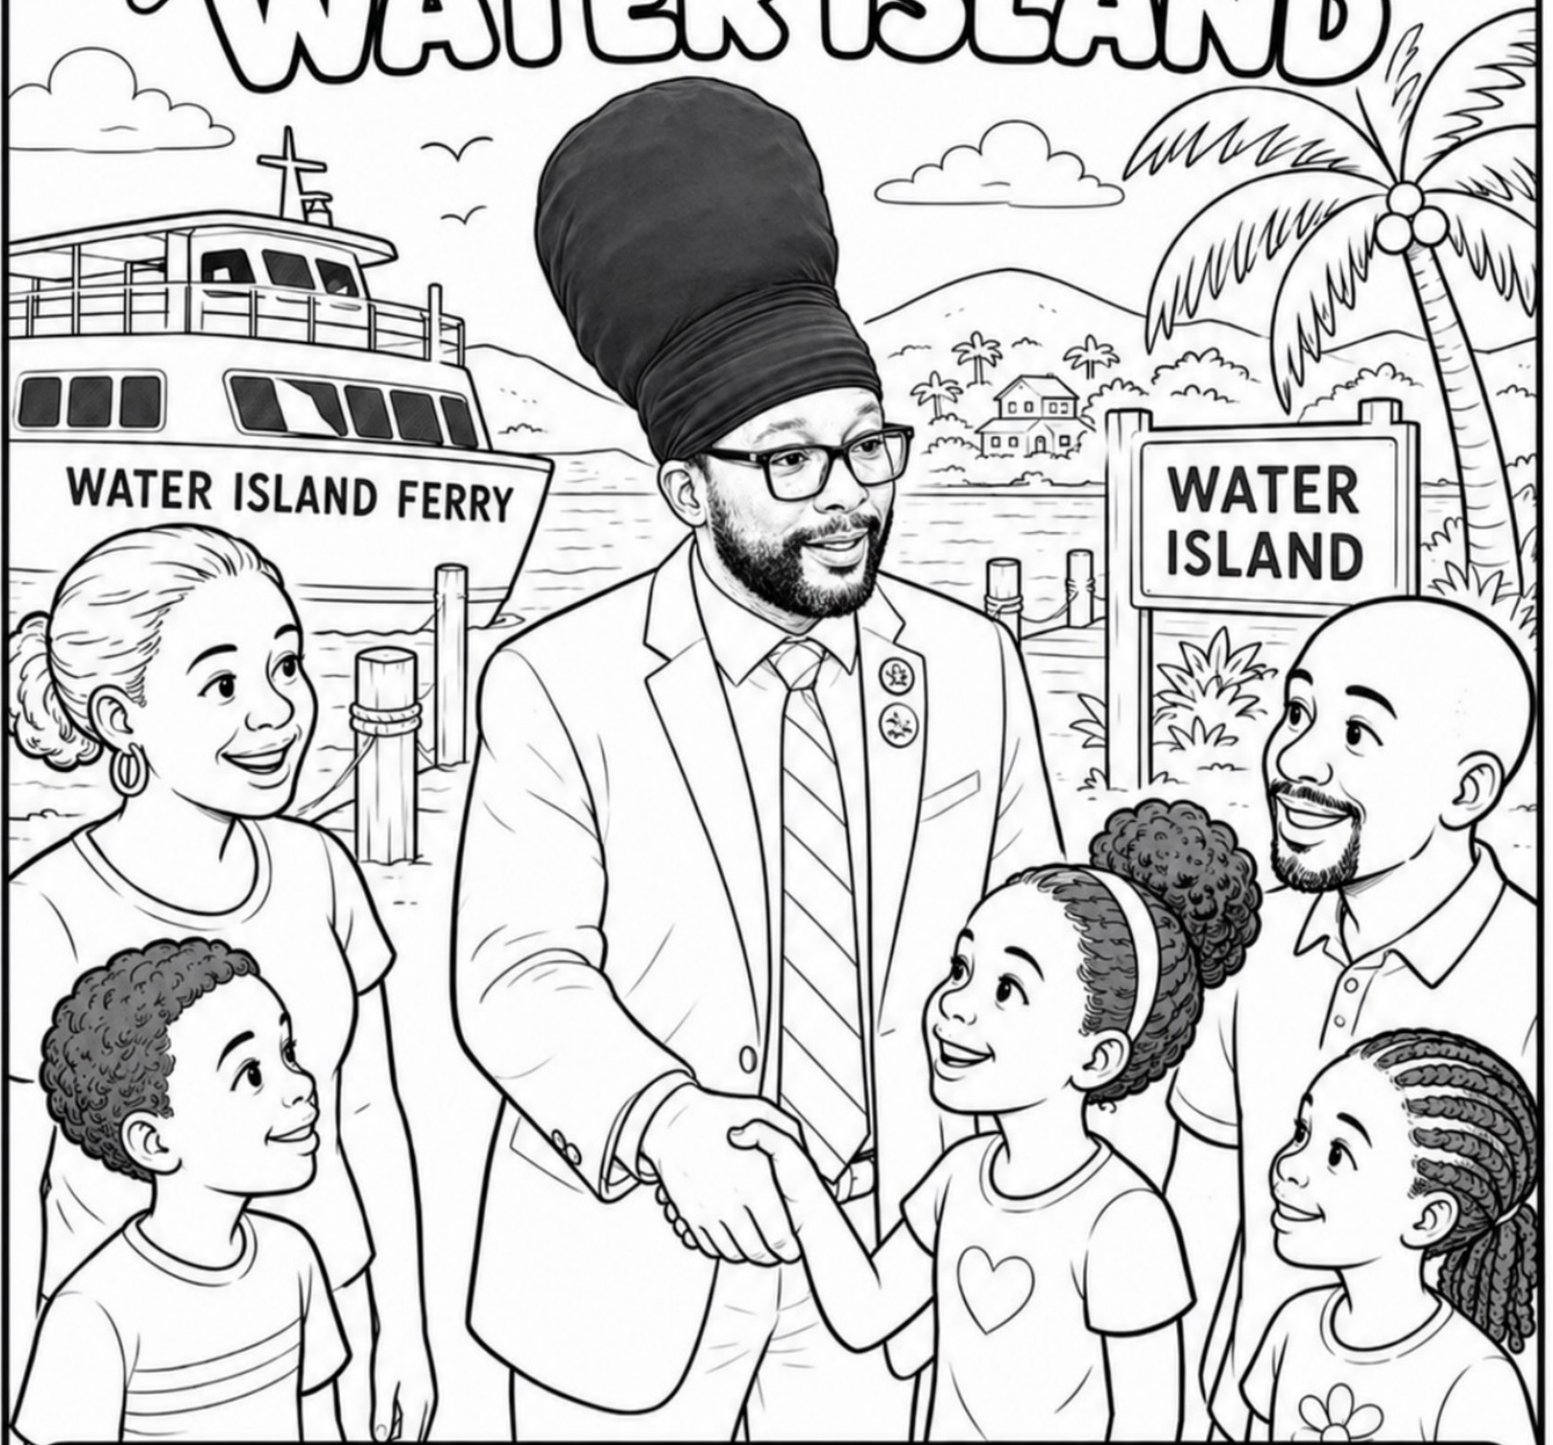

LAW

Every big change
starts with one good idea!
