CTG POWER SYSTEMS INTNL., LLC

Unused Surplus HICO 138/184/230 MVA Power Transformer | 345 kV with OLTC

Item STT-06-0037 • Doc. CTG-TECH-2026-STOCK-HICO230-01, Rev. 0 • One (1) Unit • In Storage, North America

Summary

CTG Power Systems Intnl., LLC offers one (1) unused HICO three-phase, oil-immersed power transformer, 230 MVA maximum (ONAF2), with a 345 kV high-voltage winding, an on-load tap changer on the HV winding, and three-stage ONAN/ONAF1/ONAF2 cooling. U.S.-manufactured; delivered to storage March 26, 2025. Offered AS-IS, WHERE-IS, without warranty, subject to prior sale, an executed NDA, and CTG's Terms and Conditions of Sale. Pricing, serial number, storage location, nameplate, drawings, and the certified factory test report are released to qualified principals under NDA.

Key Specifications

Manufacturer	HICO (United States of America)	**Vector group**	YNyn0d1, wye-wye, delta tertiary
Condition	Unused surplus	**Tap changer**	OLTC on HV winding
Delivered to storage	March 26, 2025	**Tap range**	345 kV ±16 x 0.625%
Rating	138 / 184 / 230 MVA	**Impedance**	10.5% at 138 MVA, 85°C ref.
Cooling	ONAN / ONAF1 / ONAF2	**HV BIL / HV neutral**	1050 kV / 200 kV
Temperature rise	55°C winding / 55°C oil	**XV BIL / XV neutral**	200 kV / 200 kV
High voltage (HV)	345 kV	**Seismic**	Moderate qualification level
Secondary / tertiary	Released under NDA	**Weights / dimensions**	Per outline drawing (NDA)
Location	In storage, North America	**Quantity**	One (1) unit

Buyer Qualification - Serious Inquiries Only

CTG responds only to inquiries that satisfy all of the following: a shovel-ready project with site control, an executable schedule, and an identified need date; demonstrated ability to fund the full purchase price; CTG's executed Mutual Confidentiality and Non-Circumvention Agreement; direct engagement by the ownership of the end user or project (CTG does not work through brokers or intermediaries and pays no commissions or finder's fees); and satisfactory KYC, sanctions, and export-control screening (OFAC and BIS/EAR). To request information, submit on company letterhead to Sales@CTGPowerSystems.com: legal entity name and authorized decision-maker; project name, location, owner, and application; project status, schedule, and required delivery date; and funding source and status. Reference Document No. CTG-TECH-2026-STOCK-HICO230-01.

Commercial Terms

Price available upon request to qualified parties under NDA. U.S. Dollars only, by wire transfer or confirmed irrevocable letter of credit; credit cards not accepted. Delivery AS-IS, WHERE-IS at the storage location. No warranty is provided by CTG; a warranty may be available as a separately negotiated, separately priced option. Rigging, loading, transport, permits, taxes, and duties are for Buyer's account. Inspection by appointment for qualified parties under NDA. Subject to prior sale and CTG's Terms and Conditions of Sale; governing law State of Florida.
