July 2024

Annual Meeting – Remote Voting

All 99s have the right to vote in international and chapter elections.

The 2024 International Conference and Career Expo will take place this week in Vancouver, BC, Canada with the business meeting taking place on **Saturday, July 6th** from 8:30 AM – 11:30 AM PDT (**10:30 AM – 1:30 PM CDT.**) You MUST be credentialed prior to voting. To credential go to 99snet.net and use the email address you have on file with Ninety-Nines International HQ. **Deadline to credential is July 3, 2024 at 10:59 pm CDT.** You can watch the how-to videos or follow the steps on ninety-nines.org under the Members Area.

Airmarking KERV

San Antonio 99s had to cancel their airmarking project in October. This allowed us to move up our project at Kerrville Airport to October 12th!

ICYMI = IN CASE YOU MISSED IT

Our June Aviation Trivia Night (shown above) was a lot of fun! We are looking into a location indoors or on a patio with misters for July trivia.

Glider Day with Fault Line Flyers was another great day! Many checked off bucket flights and all gained a new appreciation for thermals. (pics below)

Get Your Chapter Merch

Thank you, Oralia! We officially have chapter merchandise!

The t-shirt front features aviator sunglasses with a silhouette of the Austin skyline including bats flying out from under the Congress Bridge. The back has our chapter logo centered below the neckline.

Unisex v-neck and crew-neck are available. Colors available are white, sky blue, sage green, and blush pink. All \$17 at cost, or choose to round up to \$20 where \$3 will go into our chapter operations fund.

20 oz metal cups are \$25-\$35 depending on order quantity.

To place an order, email **austinhillcountry99s@gmail.com** with item, quantity, size, and color

GIRLS IN AVIATION DAY : On September 21, 2024 the 501(c)(3) Austin chapter of Women in Aviation International is showcasing some of the exceptional women who are proving a career in the sky isn't just for the boys! Join us for the 3rd annual Girls in Aviation Day event—designed to ignite passion for **opportunities in aviation and STEM** through aircraft tours, simulator sessions, hands-on activities, prizes, and more! Led by female pilots, this experience is all about inspiring the next generation of females in aviation-related careers.

WHY YOU MATTER

✈️ CLOSING THE GAP THROUGH EARLY EXPOSURE: Despite progress in recent years, the aviation industry still grapples with a **significant gender disparity**, with women significantly underrepresented in aviation-related fields. Introducing girls to various career paths at a young age is essential for breaking down barriers and expanding opportunities. By **fostering curiosity and confidence**, we can pave the way for a more diverse and inclusive aviation industry that benefits everyone!

🧰 REPRESENTATION MATTERS: The underrepresentation of women in aviation not only limits diversity, but also deprives the industry of valuable talent and perspectives. By empowering girls to pursue careers in aviation and STEM, **we can unlock full industry potential, driving innovation and progress**. Investing in the next generation of female aviators is not just a matter of equality—it's imperative for the future of aviation as a whole.

YOUR CHANCE TO ACT

🎯 OUR GOAL : We are looking to raise **\$10,000**. All funds raised for this event will go toward the costs incurred to orchestrate an organized, impactful, and safe experience for all attendees. Your support will enable us to provide essential resources for over 300 attendees and employees, including:

- Reusable banners and signage
- Event shirts
- Fans and swamp coolers to protect against the Texas heat
- Educational materials and supplies for workshops
- Lunch and refreshments for participants
- Stickers and other goodies for participants to take home

INTERESTED IN CONTRIBUTING?

Donations graciously accepted via PayPal, or contact us via wai.austx@gmail.com for in-kind donations or questions. We look forward to working with you and thank you in advance for your generosity!

Any funding in excess of our 2024 expenses will be used towards future Girls in Aviation Day events
