

UPS Newsletter

Breakfast and After-school Care

Dear Parents & Guardians

We hope this newsletter finds you well. As we welcome the new term, we have some important updates and reminders to share with you.

Firstly, we are excited to announce the addition of a new staff member, Nafisa, to our after school care team. Nafisa brings with her a wealth of experience and we are confident she will be a valuable asset to our team. We hope you will join us in welcoming her to our program.

Unfortunately, we are also saying goodbye to one of our staff members, Catherine, who will be taking a maternity leave. We are grateful for all the hard work and dedication she has shown over the past few years and wish her all the best for the future.

With the new term comes new routines, and we would like to remind you that all bookings for our after school care program must now be done through our website, www.ultimateprimarysports.com. This will ensure that we have accurate records of your child's attendance, and will also make it easier for you to manage your bookings.

Ofsted Report

We are incredibly proud and overjoyed with our recent Ofsted inspection report. The report highlights the hard work and dedication of our entire team, who strive every day to provide the highest quality care to the children in our care.

The report recognises our commitment to creating a safe and nurturing environment, where children can learn, grow and flourish. Our team's professionalism and dedication to providing the best possible outcomes for the children we serve is truly inspiring, and we are proud of their efforts.

This report serves as a source of inspiration and motivation for us to continue our work, and to always strive for excellence in everything we do.

Termly Activities

This term, we have an exciting line-up of monthly activities that will keep your children engaged, entertained and challenged. From arts and crafts to sports and games, our activities aim to foster a sense of creativity, teamwork, and physical activity.

We encourage all children to participate, and we are always open to suggestions and feedback on the types of activities that interest them.

Health & Safety

The health and safety of your children remains our top priority.

We have strict protocols in place to ensure that our premises are clean and well-maintained, and that our staff is trained and equipped to handle any emergencies.

We also have a COVID-19 policy in place to protect both staff and children, and we kindly ask that any families with COVID-19 symptoms refrain from bringing their children to our facility.

**Best regards,
The After School Care Team at
Ultimate Primary Sports**
