Spring Break Workshop for Kids

Vision of Wallkill is rolling out a fun, hands-on beaded-bracelet workshop for youth ages 8-15 this spring break – perfect for creative kids who love color, design, and making something they can proudly wear home or share with a friend.

Participants will be able to choose from a wide variety of bead colors and shapes to create their designs.

Registration is required. The fee is **\$15**, which covers materials to make **two bracelets**, and must be paid in advance.

Parents and guardians may also register if they are accompanying a child, though each adult is limited to making **one** bracelet.

To register, please contact Adrienne for an application and further instructions.

Registration deadline:

March 25
