

# DAY OF ATONEMENT

A solemn day where we afflict our souls,

All twelve tribes of Israel both young and old.

Day of Atonement must be kept with fasting and prayer

We humble ourselves to The Most High with meekness and fear.

A chance for us, that are but dust and ashes to make supplication and our former sins erased.

Mercy, Forgiveness, Compassion and Grace.

Our Messiah the ultimate and more perfect sacrifice for sins

Gave his life so that Salvation we will win.
