Monitors listen out for, note down, and be ready to report back one:

Fantastic fact.

Interesting thought.

Name of a song.

In a moment we will look at a few pictures or objects.

First of all we will take a quiet minute to have a good look. {Explore}

We will think about the details we see and memories or experiences we've had that the object brings to mind. {Ponder}

In pairs we will take it in turns to talk about one thing that captures our attention. {Pair}

We will then share our thoughts about the object with our team {Share}.

As a team we will come up with a name of a song inspired by the object {Sing}
