My humble greetings and prostrations at thy lotus feet.

On this most auspicious occasion we join millions across the world in celebrating you. Your Holiness, your life of compassion, wisdom and peace continues to guide humanity.

Your teachings on non-violence, unity, and universal responsibility inspire our work in social cohesion and moral regeneration in South Africa.

We cherish the connection and patronship between the foundation and your kind self as the Tibetan spiritual leader. We are humbled to have previously presented His Holiness with the prestigious Sivananda Peace Award for your exceptional lifelong dedication to global peace, non-violence, and the promotion of a shared, unified humanity. We place on record your support and inspiration in guiding the foundation over the years.
