A Great Start to the New Year

Happy New Year!

We loved catching up with our team last week during our first meeting of 2025. Together, we talked about ways to make this year even better for the families we support. We set goals to ensure we continue to meet the needs of every client and provide the best possible care. We're excited about what's ahead and are so grateful for your trust in us!

Meet Our New Team Members

We're excited to introduce two wonderful additions to the Northern Star Support team:

Sally:

Sally is joining our Administration team.

She has an amazing background in the disability sector, supporting people of all ages, from early childhood to adulthood. Sally's friendly and skilled approach is sure to make a difference!

Callen:

Callen is joining us as an Allied Health Assistant while completing his Occupational Therapy degree. You might meet him during visits, as he'll be working alongside staff (with your approval) to support children and families.

We're thrilled to have Sally and Callen on board and know they'll be a great fit with our team.

What's New at Northern Star Support?

Hanen Program: It Takes Two to Talk

We're excited to announce our first-ever It Takes Two to Talk workshop!

This program, led by Hannah, our one of our Speech Pathologists.

It is designed to help parents support their child's communication and language development.

It focuses on children under five who have delays in understanding or expressing language.

The program will help parents create meaningful opportunities for communication in everyday life.

We'll share more details soon about how you can join this workshop and take part in this valuable program. Keep an eye on our website for updates.

Continuing Our Partnership with Woodberry Place of Friends

We're proud to continue our partnership with Woodberry Place of Friends and support their playgroups. These playgroups provide a wonderful opportunity for children to learn, grow, and connect with others. Keep an eye on our website and Facebook page for updates on playgroup days and times!
