## **Acknowledgement of Country**

Y2Tribe acknowledges the Traditional Custodians of the land on which we work and live.

We pay our respects to Elders past, present, and emerging and recognise their continuing connection to land, waters, and community.

We honour the strength, resilience, and wisdom of Aboriginal and Torres Strait Islander peoples.

## Message from the Founder & Director

The year 2025 has been a powerful reminder of why Y2Tribe exists.

Across every community check-in, youth drop-in, school program, and event, we have seen the impact that genuine connection can have. When people feel seen, heard, and valued, something shifts. Confidence grows, isolation reduces, and community becomes stronger.

Y2Tribe was created to be more than a service. It was created to be a presence. A place where young people and adults can pause, breathe, and belong. In 2025, we continued to show up in spaces where connection matters most, building trust and creating safe environments where meaningful conversations can happen.

I am deeply grateful to our partners, supporters, community spaces, and most importantly, the young people who allow us into their world. Your trust fuels our purpose.

As we look forward, Y2Tribe remains committed to strengthening communities through connection, inclusion, and positive youth engagement. Our journey is only possible because of the collective belief that belonging changes lives.

Thank you for being part of our tribe.

Warm regards,

**Edgar Venegas**
