

Dynamic Touch Cleaning LLC - Capability Statement

Core Competencies

Dynamic Touch Cleaning LLC specializes in providing high-quality, reliable janitorial services for government and commercial clients. Our core capabilities include:

- Full-service janitorial cleaning (daily, weekly, and deep-cleaning)
- Floor care: stripping, waxing, and polishing resilient floors
- Carpet shampooing and extraction
- Restroom sanitation and replenishment
- Window and glass cleaning (interior and exterior)
- Dormitory and room turnover services
- Day and night porter services, including holiday support

Past Performance

Our team has provided consistent, high-quality janitorial services to both private clients and public institutions. We maintain a strong reputation for responsiveness, adaptability, and attention to detail. We can provide these references on request.

Past projects include:

- Residential, commercial and industrial properties throughout Modesto, CA
- Specialized cleaning services for high-traffic public facilities
- Recreational parks services
- Building and Dwelling services
- Post-construction and emergency clean-up assignments
- Tile and Grout services
- Carpet and upholstery services

Differentiators

- Locally owned, woman-led small business
- Flexible staffing to accommodate on-call, short-notice cleanings
- Trained professionals with background checks and safety certifications
- Strong focus on eco-friendly products and sustainable practices
- Reliable service delivery model with clear point-of-contact accountability
