Things to Bring for Your Child's Field Trip

To ensure a safe and enjoyable experience, please prepare the following items for your child:

- Water Bottle – To stay hydrated
- Mosquito Repellent – Recommended for outdoor comfort
- Sun Block
- Coins, Small Notes or Pay-wave – For vending machine & On site purchases
- Light Snacks – only dry snacks are allowed
- (No bento sets, rice, or noodles please)

On-Site Purchases (Optional)

Enhance your child's experience with these optional take-home items:

Fish Theme:

- Fish Food – \$1.50 per pack (to feed your own fishes at home)
- LED Light (for Fish Tank) – \$3.80 (1 set of 2)

All related Plant Theme:

- Standing Grow Light – \$12 each (to support your child's plant at home)

Facilities Available On-Site:

- Vending Machine (Coin, Note & Paywave operated)

Toilets:

- Separate male and female toilets are available.
- Each toilet has approximately 4 cubicles.

Please note: Diaper-changing tables are not available on site.

Arrival Time Requirement:

All school groups are required to arrive 15 minutes before the scheduled event time for preparation and smooth check-in.

Important Note for Parents & Teachers

Please be informed that that event may be warm depending on the weather. We encourage parents or teachers to dress their children comfortably and ensure they are well-prepared with sun protection and hydration if needed.

Kindly note that this field trip is specially designed as a hands-on, experiential learning activity for children. As such, the program is not structured for parental participation.

Fire Evacuation Plan:

In case of fire or emergency, all facilitators, children, and guests must evacuate immediately and follow staff instructions.

Designated Assembly Points:

1. Open Carpark Area (within the premises)
2. Nearest HDB Void Deck

Responsibilities:

- Teachers/facilitators must guide and stay with their groups.
- Conduct a full headcount at the assembly point.
- Await clearance before re-entering any facility.

Bus Drop-off Instructions: (Inform Bus driver & Teachers)

- Buses are required to drop off at the sheltered main entrance of Nature Kindred.
 - Please do not block the traffic flow during drop-off or pick-up.
- Bus are not allowed to park at the carpark, nearest carpark is AT IMM BUILDING**

BAD WEATHER PLAN

(applies only heavy rain and thunderstorm for construction theme)

To switch to construction theme (layer of earth experience) or to plant theme (subject to availability)

For bad weather plan kids will get to hand on the layer of earth experience which include the Plastic lego tank, rocks, soil, colour sands. name tag and one excavator mini vehicle.
