

FRONT STREET DANCE

PRESENTS

The Things You Can Be

**A NIGHT AT THE
MOVIES**

**N.Y.T.B.C. AWARD WINNING
COMPETITION DANCERS**

A note of gratitude from Ms. Lynn:

This year's recital would not have happened if it weren't for the kindness, and generosity of others. Dawn and I are so grateful for our amazing teachers. They have been working so hard to help our dancers grow and get stronger. The support of our Board of Directors.

Our backstage helpers are working hard so you can enjoy the show. Thank you Cyndy and Dawn our stage managers for helping again this year. Thank you to the parents that are backstage helpers.

A special thanks to all of our parents for their help and support this past year. Thank you for choosing Front Street Dance as your dance partner. Thank you for driving your children to classes and rehearsals. Your support of our school means everything to us. We appreciate your dedication to our school every day and we look forward to seeing these dancers grow and evolve.

Michelle Cwik has been gathering donations for our silent auction for months. She has gotten some amazing items. Christine Fenne has helped her putting these donations into baskets and displaying them and soliciting local businesses for donations. These ladies have done an amazing job! I hope you will shop the auction. The donations we receive as a 501c3 not for profit through our fundraisers like the silent auction will go to help support dance at our school and the families in it.

We would not have survived without all of you and your support.

Our sincere appreciation and thanks to all of you,

Ms. Lynn and Ms. Dawn
