

Dear Friends,

Here we go!

**The Rotary Club of Castelvetro "Valle del Belice," District 2110, is opening its doors to the 19th Summercamp 2025 "Καλὸν".**

Let me introduce myself:

### **Organization**

The members of our Rotary Club, in perfect synergy with the young members of the Interact and Rotaract Clubs of Castelvetro, will be delighted to host all the friends eager to discover the wonders of Western Sicily.

We will welcome each of you at Trapani and/or Palermo airports upon arrival and transfer you to your host families. Throughout the week, we will travel together to enjoy the excursions we have organized. You can get a preview of these activities by reading the attached program.

### **Important Recommendations**

Sicilian summers are very hot! Bring lightweight clothing, but also a jacket or a cotton sweater for the evenings. Daytime temperatures range between 28-33°C and can sometimes rise to 40°C!

For the beach, pack sandals, water shoes, beach towels, swimsuits, sunscreen, and UV-protection shirts (especially for those unaccustomed to sun exposure), sunglasses, etc.

Bring comfortable walking shoes for archaeological sites (sneakers) and a bag/backpack to carry your daily essentials.

### **What to Bring**

- The Rotary Club banner from your sponsoring club
- A flag of your country
- A photo or drawing that represents beauty in your hometown

### **Activities**

The program includes visits to archaeological sites (places that have hosted internationally renowned artists), the main cities of Western Sicily, and, of course, plenty of free time to enjoy the beach with our Rotary family.

At the end of the camp, we will make sure to escort each of you back to the airport for your return flight home.

I hope this message has sparked your curiosity! We eagerly await your applications and can't wait to welcome you.

With warm regards,  
Adriana D'Angelo  
Antonella Lombardo
