*Open to non-members.

**Open to non-members. Teams may consist of two JHGA members OR one JHGA member & one guest.

***Open to members who have paid their annual dues and played in a minimum of two tournaments on the 2026 JHGA schedule.

The deadline to sign-up for tournaments will typically be noon Thursday the week of the tournament. Please check the JHGA website for specific information on each tournament.

Default tees for JHGA tournament play will be assigned based on your GHIN Handicap Index (H.I.):

H.I. of 13.4 and below: Blue Tees

H.I. of 13.5 and above: White Tees

Club Championship: To compete for the title of Club Champion, you must declare for the Championship Flight when you register. The Championship Flight will play from the Black Tees.

Members are responsible for knowing & playing from their default tees. The JHGA handicap committee reserves the right to adjust handicaps that are not aligned with a player's ability.

All JHGA tournaments will be played according to the USGA rules of golf with the following exception:

You may move the ball (lift, clean, & place) up to one club length, no closer to the hole, in the fairway cut of the hole you are playing. The ball will be played down in all other areas of the course including the rough, hazards, and bunkers.

The tournament committee may consider exceptions to this rule in certain circumstances (ex: extremely wet course conditions).

All tournament dates are subject to change.

Always check the JHGA website for the latest information and updates.
