Wilpattu Jungle

GLIMPSE JOURNEY TO THE GOLDEN SKIES

you will be experiencing extreme weather conditions in dry-zone jungles and among the natural wildlife. We will be crossing the dry zone jungles while carrying all our survival gear and necessary items for survival. It is a 3-day journey in a virgin jungle that leads us towards the coastal line of a paradise island. It is an amazing experience to enjoy the night camping with a view of the golden sunset gifted by mother nature.

But we have not reached our destination yet as we have three beach night camps to pass to reach our destination where the river kisses the ocean.

During this expedition, you will be challenged and learn about survival techniques in a dry zone jungle, especially as you walk through the wildlife terrain of leopards, elephants, and bears.

This expedition requires a high level of weather tolerance, endurance and mental fitness to complete the expedition successfully. Our expert guides who come from elite forces will make sure your safety and survival by all means. More importantly, this is one of the expeditions that our Founder joins based on his availability.

PATH OF WARRIORS

Ohiya Jungle

This is the ultimate challenge before you become a warrior by awakening your inner strength. This expedition involves an extreme level of physical and mental fitness as this journey travels through the misty mountains, lush green jungles, rocky pathways and water streams and one of the highest waterfalls to abseil.

We will be descending from an altitude above 2000 meters to sea level through cross-country terrain and the journey ends where ultimate worries are born in the soils of Mother Sri Lanka.

During this expedition, we will be providing all the general equipment but you will be requested to bring the equipment required for abseiling the highest waterfall in the country.

This expedition will be monitored and guided by our most experienced and qualified guides to ensure safety and protection.
