----------------------	--

- Our newest member is Noah Deger, son of Paul Deger who signed Noah up recently. We now have an email address where we can send invitations or meeting minutes as well as Noah's phone #!
- Lucy Langland has not renewed her membership. We miss her attendance. Mel volunteered to call her.
- Past meeting minutes were passed out for members to read on their own.
- Treasurer's report \$3382.04 (which includes the newest member payment)
- Nothing for VP report.
- Everyone is AMAZED at our website and the work that Ben A. has done. KUDOS! (Ben is also doing the CCCC website).
- Mel went over the CCCC meeting notes and their recent agendas. The CCCC is addressing car clubs that are smaller than 10 members. Their by-laws don't presently accommodate nor recognize clubs that small. More to follow in the future on that subject.
- August 3<sup>rd</sup> is the CCCC swap meet and car show at the OLD JEFFCO airport, (Rocky Mtn. airport). They desperately need volunteers for parking, entrance admittance, etc.
- **PAST EVENTS:** - Gering NE. was good, but maybe it is time to try something else. It seems the car show is moving from original intent to Street Rods. Mel did make a group reservation at the Hotel 21 for 2025, (just in Case we decide to go)
