

Change of Ownership Form With Payment Required

Please note that all notifications related to a transfer of ownership of animals listed on the Central Animal Records microchip registry must be made in writing. In addition, changes to the ownership records for the animal listed on this form, will only be made once the form and payment has been received, and all legal requirements have been met. FEES: A \$15.00 fee applies to change ownership of a pet listed with Central Animal Records. Payment must accompany this form, & can be made by cheque or money order, made out to Central Animal Records, or by completion of credit card details (see below). Once processed, a Certificate of Identification reflecting these changes will be issued to the new owner. If the previous owner has not signed this form, the transfer can take up to 23 days as we are legally required to contact the previous owner for consent to transfer ownership.

If this pet is not already listed with Central Animal Records, we will need to initiate a new subscription at no extra charge. Central Animal Records will appear as the 'Implanter' on your certificate on ownership with the implant date listed as the date that this form was signed. If you are located in Victoria or Queensland, you will be required to complete a Subscription form. This will be provided to you by Central Animal Records. By submitting this form, you confirm that you have taken reasonable steps to verify that the above microchip number is correct. If you list the incorrect microchip number, your pet may not be returned to you if they were to go missing. There may also be penalties with your council if they ever scan your pet to check council registration.

DO NOT USE THIS FORM FOR MICROCHIP MIX-UPS OR MICROCHIP RE-CHIPS
