

Some of you might have had this experience. It doesn't happen until you are a bit older. It is the sweet blessing that comes when your adult children visit you of their own volition. Lately I've also been blessed by several alumni who have come to visit or go to church with me. I can't express the joy I have when this happens. I call them my kids and they are coming "home". It is great to see the long-term influence YFC has had on their lives. Some have been in life changing circumstances and have come to talk with me and to ask for my advice. I steer them toward Jesus and Biblical teachings. Our job as a parent is never done and as a YFC worker, it is the same. Our house is often full, and I pray they will know that they are always welcome in our "home".

Then I wonder if our Heavenly Father has the same feeling when we want to be with Him? His joy must be full when we come "home". Since I love being with my Heavenly Father, I want to tell as many people about Him as possible.

Again, this year we are doing our YFC fundraising catalog which allows you to join us as we labor together to introduce kids to our Heavenly Father and our eternal home.

Sincerely,
Dorothy Davidson

YFC reaches young people everywhere, working together with the local church and other like-minded partners to raise up lifelong followers of Jesus, who lead by their godliness in lifestyle, devotion to the Word of God and prayer, passion for sharing the love of Christ and commitment to social involvement.

For “everyone who calls on the name of
the Lord will be saved.”

How then will they call on him in whom they have
not believed? And how are they to believe in him of
whom they have never heard? And how are they to
hear without someone preaching? And how are they
to preach unless they are sent? As it is written,

“How beautiful are the feet of those
who preach the good news!”
