November 2025 Newsletter Christmas Is Almost Here!

The season of gifting. Here it is. Ready or not. Seriously though, I love Christmas and I love giving presents. We have a couple of Christmas parties planned one in November and a second one in December. First is the Samaritan's Purse® shoebox packing party at the Teen Center. This is always a great evening with caroling of Christmas song and parents and kids packing boxes to be shipped overseas. It is a special night with parents participating alongside their kids and YFC ministry leaders sharing the gospel of Jesus with the parents that night.

In December, we will have a Show Team Christmas party with games and plenty of food to eat. Celebrating the best time of the year, so the song goes.

This year as we head into the Christmas season, we have concerns that our income level from month to month is not meeting our expense total. Please consider a donation to YFC before the year's end. Our annual catalog will be coming to you soon and there are many tangible ways you can support our ministries. Just as important as a monetary gift is the gift of time as a volunteer. There are opportunities at the Davidson farm in Laurens, the Teen Center in Unadilla or as a board member. We currently have five board members and would like to have ten. Please remember to also pray for our ministry leaders to have enough energy for each ministry, a clear vision as they reach out to local teens and for revival at the high school level.

If you are reading this newsletter, I know you are already invested in YFC. I appreciate and I am thankful for each of you.

Continuing to serve with you for the glory of God, Dorothy Davidson
