ANNEX E

SAND BAG RELAY

- a. The Raider Team will be scored on the amount of time it takes all 10 members to carry a designated number of sandbags (10 for males, 6 for females) from one point to another.
- b. **SAND BAG RELAY:** (“4” on your Map) I have attached a you tube video to assist in explaining this event. <https://www.youtube.com/watch?v=XgUcAciDjlw>
- c. * There are six circles, Circles A through F.
- d. * Each Circle is set up exactly five yards apart. .
- e. * The “run around “ Cones are 25 yards out..
- f. * Male Teams and Males on mixed teams will move Ten sand-bags
- g. *Female Teams and Females on mixed teams will move 6 sand bags.
- h. *below are some additional instructions for Mixed Teams:
 - i. For the mixed division, since girls only carry six bags, the four girls must be Raiders 4, 5, 6, and 7 in the lineup. To do it any other way will cause confusion moving the bags through the system. If you try it out, you'll see what I mean. Raider 3, a guy, moves bags from Circle C to Circle D. That means there are 10 bags at Circle D when Raider 3 is done. Here is where Raider 4, a girl, take six of those 10 bags and moves through from Circle D to Circle E, where Raider 5, a girl, takes those six bags to Circle F. Raider 6, a girl, then moves the six bags from F to E where 7, a girl, moves them from E to D where a male is waiting to begin the train of moving the ten bags back to A (through C and B). The Male at circle D must wait for the Female to place her first two sandbags in circle before he can begin the train moving again. He cannot move any of the four bags he has in circle D early.
 - j. If a mixed team has more than four females, each female above the fourth female must carry ten sandbags like the males.
- k. **I know this may sound complicated, but it won't be....I promise.**
- l. Regardless of the category of Team, all male Raiders will carry ten 30lbs sand bags and all female Raiders will carry six 30lbs. sandbags.
- m. Penalties: A 5 second penalty will be assessed for each occurrence of a sandbag being thrown.

1 minute penalty if the #6 Raider starts before (Males) all 10 sandbags (Females) all 6 sandbags are in the the circle.

1 minute penalty if the #8 Raider, on the mixed teams only, starts before the #7 Raider places their first 2 sandbag in the circle
- n. Trophies will be awarded to the Top three Teams in each category.

The first 5 Raiders must flip the whole tire past the mid-point line and let it come to rest before the second 5 comes forward to begin flipping the whole tire past the Finish line.
