Only two Cadet per school will be allowed in this meeting. The competition will begin at 0930. The awards ceremony will be held on the Raider field shortly after the conclusion of the competition. (Depending on # of entries, ceremony will be moved to the football field)
4. Awards will be given to the top three in each category depending upon entry numbers in each event.
5. Latrines are located at the raider field behind the softball field concessions stands. Also, near the Baseball Field benches. See attached maps.
6. Locations for teams to set up their Tailgating "Base Camp" are identified on the enclosed maps. Please ensure you maintain 25 feet between teams and be considerate of other teams to allow sufficient space between camp set ups.
7. In the event of rain, all events will continue as planned. If severe weather happens during the event, the holding area will be the main gym of the school until lightning has departed. A weather call will be made by 1200 hrs the day prior to the event. If the event needs to be postponed/cancelled due to weather the instructors will be notified. There will be no plans this school year to reschedule.
8. Please Park all cars in the parking anywhere on campus and come to the Raider Field. Equipment and buses with cadets and equipment can park in the area behind the softball field. Please look for guides when you arrive.
9. Instructors, please bring a stopwatch/cell phone for backup timing of events. We will need cooperation from coaches to keep this a smooth-running event.

10. Participating Cadets will wear wrist bands provided in the team packets

SPECIFIC INSTRUCTIONS:

1. All coaches will receive a packet at the coaches meeting with the sequence of events, wrist bands for each team member. Score sheets will be at each event station.
2. Each team will consist of 2 members, they are the only competitors allowed to compete in each event. Competing cadets will be allowed to compete on one team only; meaning a cadet on the male team cannot be a substitute for a cadet on the mixed team.
3. **Teams are not authorized to “float” from event to event.** Groups will rotate to the next event once all events have reported they have completed that iteration. Teams who report to an event prior to their groups designated start time will be instructed to wait for their designated rotation with their assigned group. Simply put, don't let your team get ahead and don't let your team be late when we rotate.
4. Only the Raider team members will be allowed to be on the courses. Coaches, parents, or spectators must observe the events from the spectator's area or a safe distance without interfering with competitors. Coaches and parents are not allowed to coach teams once the event has started. Any coaching during the event will result in that team being disqualified from that event.
5. Judges will give a short briefing to each rotation before each event. Penalties will be clearly defined. After each event, the team commander will go to the judge for the time and notification of any penalties assessed. Do not argue with the Judge. Address all concerns Chief Spears or LtCol. Alford
6. If a team member is injured during the course of an event and cannot finish, the team will be disqualified from only that event. The team must leave one member with the injured Cadet and continue along the course and inform the judge of the injured Cadet. The event judge will notify the Event Organizer for medical assistance.
7. If a team or school decides not to compete in any event, they **MUST** inform the judges of that event and complete a score sheet stating they did not compete,
8. Unsportsmanlike conduct, such as profanity, will be subject to a 1-minute penalty each time a member of a team does not conduct themselves as a JROTC Cadet. Judges may disqualify a team for unsportsmanlike conduct, **to include actions of Team coaches and parents. Coaches, please ensure your parents know that sportsmanship and professionalism resides with them also.** If incidents occur, they will be instructed to depart the school property or be escorted out.

9. Coaches please instruct your Cadets about taking care of the equipment. **Do not drop any equipment before, during, or after each event. Dropping equipment before, during, or after an event can result in a 1-minute penalty.** This is to help preserve the equipment. Dropping of equipment is defined as uncontrolled contact with the ground from above the top of the Cadet's boots.
10. Team Commanders will sign all score cards. Judges will inform Team Commanders if there is a penalty and adjudicate on site. If it cannot be decided within a 2-minutes, Chief Spears to resolve the issue. Do not delay other teams.
