## **Foreward**

Welcome to the comprehensive documentation of Kilcooley Cemetery, located on the west side of the N5 road, approximately 3.5km from Tulsk and 7.5km from Strokestown in County Roscommon. This document serves as a meticulous record of the cemetery's grave markers, complete with pertinent details and accompanying photographs. Each entry is organised alphabetically by surname, facilitating ease of reference for those seeking specific information.

Kilcooley Cemetery holds both historical and cultural significance. At the back of the cemetery, the remains of an old church offer a glimpse into its ancient past. The headstones are primarily from the 19th and 20th centuries, with some dating as far back as the 18th century. An extension at the front of the cemetery was added in 1942, reflecting the continued use and importance of this burial ground in the local community.

In this document, you will find invaluable data encompassing the inscriptions engraved on each headstone, providing insight into the individuals laid to rest within this cemetery. Whether for genealogical research, historical documentation, or personal remembrance, this document endeavours to preserve the legacies of those interred in Kilcooley Cemetery.

The production of this document was made possible through the dedicated efforts of local historians and contributors, whose collective expertise and co
