September 2025

Please Note: Meetings normally are the last Thursday of each month at the Mattituck-Laurel Library at 6:30 PM in the basement meeting room. The exceptions are the November Annual Dinner meeting which is the third Thursday of the month because Thanksgiving usually falls on our regular November meeting night and the December meeting is the second Thursday of the month to avoid any potential conflicts with Christmas.

Important Notice: Larry Welcome's daughter Iris has been diagnosed with a rare and very aggressive form of breast cancer. She has begun chemotherapy and is facing a long and difficult treatment regimen, with significant copayments and procedures not covered by her insurance not to mention her loss of income.

Several of her friends started a Go Fund Me, <https://www.gofundme.com/f/aid-iriss-healing-from-rare-cancer>. The Board has decided to make a \$500 donation to her recovery fund. Additional individual donations would also be greatly appreciated by Iris and her family.

Last Meeting: August 28, 2025

22 members attended and we want to welcome our new member, Dan Manzella. Unfortunately, unforeseen circumstances prevented Pete Utschig – Comanche Surfcasting and Phase Gear from attending our meeting. We are hoping to get him to come to our October meeting. However, Larry Welcome of North Bar Tackle gave a detailed and very interesting presentation on the process to create his wooden lures. Using samples of the various stages of lure building and video clips he informed us of the numerous and specific steps to create a finished product.

September 2025

Wish You Were Here: Unfortunately for him, Paul Thiergartner was not present at the meeting. \$107 will be rolled over to the September meeting. Larry donated a North Bar Wooden Lure for the supplemental WYWH drawing and it was won by Joe Ingenito

Treasurer's Report – Steve Kellner reported as of the August meeting and giving the \$100 scholarship, giving the \$500 VS raffle cash 1st prize, paying for the VS raffle 2nd prize – VS pliers plus the receipt of \$150 in hats and tee shirts and dues the treasury had \$5741.59 Over half of our existing treasury now is due to the great job by Mike Lisowy handling the VS raffle.

September Meeting Agenda - 9/25 – Hopefully, Matt Broderick – Editor of The Fisherman Magazine. Speaking on Fishing for Blackfish from shore.

Board Meeting: The Board does communicate with each other over the course of any month. We discuss emerging issues such as additional speakers for the year, adjustments to speaker scheduling, necessary meeting day and meeting start time adjustments due to Library meeting room scheduling, member volunteers for club activities, possible additional 2025 Club events, new website reporting of fish for the NY Surf Fishing Contest.

Club Logo Hats, Tee Shirts and Clothing: Please see John Tomici at our meetings. Off-White Hats with the new club patch logo, we have a resupply of Navy-Blue hats with the new patch club logo, navy blue tee shirts of various sizes with the large new logo on back and small NFA in an oval on the front will be available. All \$25 each. Basically, the cost to the club.

The issue of hoodies and SPF 50 performance shirts is more complicated. EESG has to order transfers, etc. for these items as members request them directly from EESG. If members go in and order 1 or 2 hoodies, etc. the price for the transfers will be significant. It will be better for members to group their hoodie order together to get the best price. A price for a logo transfer for a personal item will reflect the price as indicated with the hoodies.

Club Roster: The Club membership roster is continually updated and emailed to members to include new members as necessary and removing those not renewing their membership or failing to pay their dues. Those former members and members not in good standing will still receive club emails until such time that we are informed they no longer wish to receive club emails.

Meeting and Event Calendar: The 2025 Meeting and Event Calendar is also continually updated and emailed as future speakers and events are finalized.
