of Jefferson County Inc.  
ACTIVITY & RESOURCE CENTER <sup>50+</sup>

**AUGUST 2024**

Hello Everyone,

Firstly, we must express our gratitude for all the support we've received.

If you visited the center in July, you would have noticed the many changes. Our new equipment has arrived, making it easier and more efficient to serve the older adults in our community. We are immensely grateful for the Healthy Aging Grant and the Charles M. Pugliese & Thelma M. Pugliese Charitable Foundation.

A heartfelt thank you to all the volunteers who have supported Our Place; we couldn't achieve what we do without you.

Thank you to our members for renewing your memberships. We are excited about our continued growth and plans we have for the future.

We also thank the Jefferson County Senior Coalition members for their contributions not only at Our Place but also at the various locations we coordinate within Jefferson County.

August promises to be a busy month. We're hosting our first evening dance on Tuesday, August 13th, featuring the Twice As Nice band from 6 - 9 pm. This event is open to the public, so please bring a friend and help us spread the word. On August 29th, we'll have our Summer Splash party, which is sure to be a blast.

The Parkinson's Support Group will meet on Tuesday, Aug. 13th, at 10:00 am with a speaker from the Parkinson's Foundation of Western Pennsylvania. This group is open to the public.

Stay tuned for details about our September event. Save the date of Thursday, September 19th - you won't want to miss it.

We are eager to continue our mission of:

Together As We Age

## YOUR VOTE COUNTS!

According to the AARP article written by Tamara Lytle in the May addition the 2024 Election hangs on the diverse attitudes of Americans over 50.

Post-election data showed 53% of the electorate was age 50 and above in the last presidential election. The range of concerns for those age 50+ were ... 80% want the economy strengthened; 76% worry about defending against terrorism; 73% want to make Social Security system financially sound; 71% thought dealing with immigration was important.

The experts agree the older vote will be decisive. It is important that the candidates address their concerns.

Caregiving is an important topic to many voters. 87% of women support paid family leave benefits for caregivers. Women who work are not confident they will have enough money to retire (54%). This is why, they feel, Social Security and Medicare Programs need to be stabilized. Older voters should not be taken for granted, especially in a close election. They could decide who takes office in a very close election.
