**INGREDIENTS**

2 cups semolina  
1 cup yogurt  
1/3 cup sugar  
1/2 cup melted butter  
1 tsp baking powder  
1 cup coconut almonds

**Syrup**

3/4 cup water  
2 tbsp honey

***My favorite recipe***

We cook lots of different things, such as lentil soup, ful medames, and molokhia. My favorite thing to bake is basbousa. This is how you make it.

**First**, you need to turn your oven on to get it hot. Then weigh out the ingredients. **Then** you mix the semolina, coconut, sugar, and melted butter. You should mix these ingredients by hand. I love doing this!

**Then** you add the yogurt and pour the mixture into a baking dish.

You can use a knife to make diamond shapes on top of the basbousa.

Put an almond on each diamond. It looks really pretty. Bake the basbousa in the oven for 30 minutes.

Make the syrup. Put the honey, water, and lemon juice into a saucepan.

**Boil the mixture for about 10 minutes.**

Take it out of the oven. Then pour the syrup over the basbousa . Cut the Basbousa and share it with your family!
