The Way the Righteous Go

Music by: Charity Baer

1. The man is ev - er blest _____ Who shuns the sin - ner's ways, _____
2. He like a tree shall thrive _____ With wa - ters near the root; _____
3. How will they bear to stand _____ Be - fore the judg - ment seat, _____

A - mong their coun - sels ne - ver stands, Nor takes the scorn - er's place; _____
Fresh as the leaf his name shall live; His works are heav'n - ly fruit. _____
Where all the saints at Christ's right hand In full as - semb - ly meet? _____

But makes the law of God _____ His stud - y and de - light, _____
But the un - god - ly race _____ Shall no such bless - ing see: _____
He knows, and He ap - proves _____ The way the right - eous go; _____

A - midst the la - bours of the day, And watch - es of the night. _____
Their hopes, be - fore the driv - ing wind, like emp - ty chaff, shall flee. _____
But sin - ners and their works shall meet A dread - ful o - ver - throw. _____
