Description

Simplify, then add lightness

This boat delivers outstanding good quality and value for money with the Mercury FourStroke 175 V6. With a very efficient hull together with a light and powerful engine, this combines good performance, unbeatable fuel economy and low noise level. Very few (or none) other 23 foot cabin boats have been able to deliver this kind of performance from a 175 hp engine. This engine gives a top speed of 45 knots and fuel consumption down to 0.75 l/nm at planing speeds.

All boats are now using infusion system, optimized fiber directions and
