*Here at Red Sky at Night Campsite we have done all the work for you so that you can concentrate on enjoying your stay!*

## THE FARM

We try not to make it a 'don't do' kind of site but inside you'll find just a few Do's & Dont's that we ask our campers kindly to stick to and a little more info on what we do here at Wernllwydd Farm.

## THINGS TO DO & PLACES TO VISIT

There is so much to do and see inside (and just outside) of Monmouthshire. We've crammed it all into your guide so that you are fully equipped with everything you need to know from the get go!

## WALES & OVER THE BORDER

We just keep on spoiling you don't we?  
Inside you'll find not only Welsh places to visit but also plenty of places just over the border too!

#REDSKYCAMPING

## WELCOME CAMPERS!

*We (The Williams Family) send you a warm welcome and thank you for choosing us for your stay!*

*We have put together this handy guide for you & we hope we have crammed it full of local info but if there is anything we've missed or something specific you'd like to know then please ask - We are happy to help!*

## THE CAMPSITE

On arrival to the farm you'll see the sign for the campsite on your left so go ahead and go on in. Driving through camp you will notice on your left is a large area that has been mowed - you can pitch up anywhere you like within this area. On the right you will see several smaller, more private mowed areas. Camp here if you like your own space. We hope by doing this we have catered for all camping styles.

## THE WATERING HOLE

There is fresh drinking water available from 'The Watering Hole' which can be found in the green shed along the hedge. You'll also find a bit of a work surface here as well as information & wood to buy.

## THE COMPOST TOILET

The compost toilet can be found along the hedge and needs little explanation - just do your business and pop some sawdust over the top when you're done!

We ask that you only use minimal sawdust - you really don't need much at all!

## CAMPFIRES

Fire bowls & grills are available to hire from us (Prices are per night).

Fire bowl - £5

Fire Bowl Package (includes wood, kindling, firelighter) - £10

Fire Bowl with Grill - £9

Grill Package (includes wood, kindling, firelighter) - £14

Obviously there is a huge fire safety warning with this and we ask you to be extremely cautious when using it.

-We will supply a fire bucket next to the sink, please keep it filled at all times and use in any emergency to put out a fire, and also before you go - Never leave the fire going unattended!

-NEVER leave children unattended near the fire.

## CAMPFIRES CONT

- Never put on more wood than you need - Don't build the fire too big.
  - Don't use flammable liquids on the fire.
  - Put matches or lighters away once lit. Don't keep them near the fire.
  - It is advised that you don't wear loose clothing such as scarves near fires and that long hair is tied back.
- Please return fire bowls/grills before roam the following day.

## DO'S & DON'TS

Like we said, we don't want to be *that* kind of site but we do have a few do's & don'ts that we would like our campers to adhere to:

- We welcome dogs to our site because we know its just not a break without the little fur balls BUT we have a strict LEADS ON AT ALL TIMES policy.
- The only areas open to campers are the camp field itself & the woods over the fence. If however you do find you need us and cannot get through to us by phone then take a walk down the drive and to the house but please be aware that this is a working farm & it can be extremely dangerous with tractors coming and going as well as other hazards. The safety of our campers is paramount so if you can avoid the farmyard and driveway please do.

We will pop our heads in morning and evening so there will always be someone around.

- We ask for quiet after 10pm. We know you're on your holidays but we ask you remain respectful of others... Plus by then you'll be totally wowed by the starry sky that you won't want to talk!
- Please leave the campsite and it's facilities in a clean & tidy state. We have worked hard to make this what we hope to be a pleasant campsite & ask that you'll help us to keep it that way.
- Please be aware that your belongings, including your vehicles are left at your own risk. We will not be held responsible for any thefts, loss or damages. This includes any damage to vehicles by driving through the campsite.
- Please be aware that you use this campsite and its facilities at your own risk. Red Sky at Night Campsite cannot accept responsibility for any injuries from the use of this campsite and it's facilities, including the den building area, rope swing and woods.

- And lastly... HAVE FUN!!  
Get the guitar out, sing songs, laugh, toast marshmallows and just enjoy it!

Once you arrive you'll realise you've been pretty spoiled with the most amazing views but if you are wondering what else the farm has to offer here's some more treats for the eye!

## STARGAZING

If you brought your telescope with you then our farm is the perfect place to get a good look at the world above our heads. There are 5 official Dark Sky Discovery Sites around Monmouthshire alone and Skenfrith is one of them meaning that you are pitched up right underneath one of the best places in Wales, potentially the world to see the wonders of the galaxy!

If you don't have a telescope don't worry because from our farm you can see so much of the beautiful canvas of stars without one! On a clear night you will be able to see The Milky Way and the seven main stars in Orion!

## RED KITES & FRIENDS

It's not all about looking up at night here at Red Sky at Night Campsite, there's also a good reason to look up in the day too. If you don't you could miss a spectacular sight... Red Kites! Spotted more and more all of the time over the farm we always stop to take in the sight ourselves and wonder if we will ever get used to seeing such amazing birds. Be sure to keep your eyes peeled especially above our bigger fields on 'The Top Road'

If you fancied a road trip you could always head over to the Llanddeusant Red Kite Feeding Station in the beautiful Brecon Beacons and get a real up close look at these magical creatures.

Slightly more common but by no means less of a treat you are absolutely sure to see the buzzard and there are plenty around with the very field that you are staying in one of the most popular on the farm! We aren't sure why but the Buzzard favor the tree line and hedgerows that run down the side of the field and our driveway and we usually have several at a time soaring above us.

Swallows, Swifts, Woodpecker & Wagtails can also be spotted about the farm.

## A WALK IN THE WOODS

As we don't have many areas available to the public on our farm due to the fact that almost every inch is farmed we thought you might like a walk around our wood? Please feel free to hop over the stile from the campsite, wander through and take a look at yet another breathtaking view as you peep out the other side...A great place for a picnic!

There are however a few rules:

1. This wood is used and there will usually be livestock around. This includes cattle as well as sheep. Please always be vigilant - our cows aren't used to walkers.
2. Dogs *must always* be kept on a lead.
3. Please pick up after yourselves & your dogs.
4. Please keep to the woods only. The fields on all sides of the wood (accept for the campsite) are not available to the public.

## THE FARM

Wernllwydd Farm is a 250 acre mixed sheep and cattle farm that we work alongside Ben's parents who live at the adjoining farm. It has been the home of Ben's family for over 150 years and our children will be the 7th generation to have lived here.

About 75 calves are born on the farm each year to an Aberdeen Angus or Limousin bull. The calves stay with their mother for about 8 months and afterwards either live in the fields eating grass or in the winter they live indoors eating silage and grain from a neighbouring arable farm.

At about 26 months the cattle are sent to a nearby abattoir where they are processed to supply M&S and Tesco.

Nearly 1000 lambs are born here each spring which keeps us very busy during March and April. They are also sold to supply M&S at around 6-8 months of age.

A small flock of free-range rescue chickens live around the farmyard too whose eggs are much sought after locally... They are delicious!

A few pigs are reared each year to supply our family with beautiful pork and fantastic sausages... You can buy sausages from us for £4.50 for a pack of 6.

The farms keep Ben and his Dad busy all year round with Chloe being called in for the busiest periods (lambing, TB Testing, moving livestock & of course delivering lunch to the field!). When she isn't farming Chloe works from the farm too where she has developed a business creating farmhouse style home décor and repurposing furniture.
