Revised Period of Restoration:

Covered Cause(s) of Loss:

Applicable Location, Building or Property:

Deductible:

Revised Period of Restoration:

A. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition, the Agreed Value Optional Coverage or with any applicable condition of this policy. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

B. Deductible Amount by Covered Cause of Loss

The amount of your Deductible may vary based upon the Covered Causes of Loss. The Deductible amount will be stated in the Schedule above and may be on a fixed dollar or percentage basis. Please review the Schedule above carefully.

If this policy provides both Windstorm or Hail and Named Storm as Covered Causes of Loss, the amount of your Deductible for each of these Covered Causes of Loss may be different.

C. Deductible Amount by Coverage Type

The amount of your Deductible may vary based upon the type of coverage. The Deductible amount will be stated in the Schedule above and may be on a fixed dollar or percentage basis. Please review the Schedule above carefully.

D. Deductible Percentage Amount

Unless otherwise stated in the Schedule above, if the Deductible is expressed as a percentage, the Deductible is calculated separately for and applies separately to:

1. Each building that sustains loss or damage;
2. The personal property at each building at which there is loss or damage to personal property;
3. Personal property in the open.
4. Business Income, including Tuition Fees, Extra Expense, Additional Living Expense, Loss of Rent or Rental Value, and Leasehold Interest.
5. When property is covered under the Coverage Extension for Newly Acquired Or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired Or Constructed Property is the highest percentage shown in the Schedule for any described premises.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

E. Deductible Application

The Deductible will be applied and calculated to loss or damage to Covered Property on a Per Occurrence basis or by Policy Location, subject to the Limit of Insurance. Your Deductible will be applied as stated in the Schedule above. Please review the Schedule above carefully.

1. Per Occurrence – If your Deductible for a specific Covered Cause of Loss is applied Per Occurrence, your Deductible will be applied to the total of all loss or damages to Covered Property under this Policy directly resulting from a Covered Cause of Loss
2. Location Application – If your Deductible for a specific Covered Cause of Loss is applied by Location, your Deductible will be applied to the total of all loss or damages to each Covered Location under this Policy directly resulting from a Covered Cause of Loss. If two or more Covered Locations are insured under this Policy, then the deductible will be applied separately at each Covered Location against the sum of all loss or damages incurred.

F. Frequency of Deductible During the Policy

Unless otherwise stated in the Schedule above and/or the Calendar Year Named Storm Percentage Deductible endorsement, if attached to this policy, the Deductible applicable to any loss or damage will be applied separately to each such occurrence of loss or damage during the Policy Period.

G. Business Income Deductible – Percentage or Dollar Amount

1. If Business Income Coverage is provided on this policy and a Deductible is stated in the Schedule above, no liability shall exist under this policy for loss of Business Income, including loss of Business Income caused by action of Civil Authority, unless the determined Business Income loss, occurring at locations covered hereunder, exceeds the stated Business Income Deductible.
2. The Business Income Deductible may vary based upon the Covered Causes of Loss. Please review the Schedule above carefully.
3. For any Location(s) on the policy that have a Business Income Deductible stated in the Schedule above the following applies:

- a. "Period of Restoration" in the BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM – CP 0030, BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM – CP 0032, BUSINESS INCOME ENDORSEMENT – RSG 74001 and BUSINESS INCOME ENDORSEMENT – RSG 74029 is replaced by the following:

"Period of Restoration" means the period of time that:

- (1) Begins at the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises; and
- (2) Ends on the earlier of:
 - (a) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
 - (b) The date when business is resumed at a new permanent location.

"Period of Restoration" does not include any increased period required due to the enforcement of any ordinance or law that:

- (1) Regulates the construction, use or repair, or requires the tearing down of any property; or
- (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "Period of Restoration".

- b. Civil Authority Coverage for Business Income will begin immediately after the time of first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

H. Additional Expense - Soft Cost Coverage Deductible

If Additional Expense - Soft Cost Coverage is provided on this policy and a Deductible is state in the Schedule above, no liability shall exist under this policy for any loss or damage of soft costs or rents unless the **Delay** exceeds the number of days stated in the Schedule above, beyond the **Anticipated Date of Completion**. We will then pay that part of the loss or damage which occurs after this time, up to the applicable Limit of Insurance. In the event that the **Delay** results from more than one occurrence, a separate deductible will be applied for each occurrence.

I. Revised Period of Restoration - Business Income

1. If the Schedule indicates an hour time period different than 72 hours, then the 72-hour time period in the definition of "Period of Restoration" is replaced by the number hours stated in the Schedule above. Therefore, the "Period of Restoration" for Business Income Coverage begins the number of hours stated in the Schedule above, after the direct physical loss or damage, subject to all other provisions of the definition of "Period of Restoration".
2. The 72-hour time period in the Civil Authority Additional Coverage is replaced by the number of hours stated in the Schedule above. Therefore, coverage under the Additional Coverage – Civil Authority begins the number of hours stated in the Schedule above, after the time of action of civil authority, subject to all other provisions of that Additional Coverage.

J. Specific Dollar Deductible Examples

1. EXAMPLE (This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building #1:	\$ 60,000
Limit of Insurance – Building #2:	\$ 80,000
Loss to Building #1:	\$ 60,100
Loss to Building #2:	\$ 90,000

The amount of loss to Building #1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building #1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building #1:

\$ 60,100
<u>– 250</u>
\$ 59,850 Loss Payable – Building #1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building #2. Loss payable for Building #2 is the Limit of Insurance of \$80,000.

Total amount of loss payable: \$59,850 + \$80,000 = \$139,850

2. EXAMPLE (This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example #1.

Loss to Building #1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building #2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building #1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building #2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

K. Percentage Deductible Examples

1. **EXAMPLE – SPECIFIC INSURANCE**

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the Coinsurance requirement is \$80,000 (80% of \$100,000).

The **actual** Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

- Step (1): $\$70,000 \div \$80,000 = .875$
 Step (2): $\$60,000 \times .875 = \$52,500$
 Step (3): $\$70,000 \times 1\% = \700
 Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

2. EXAMPLE #2 – SPECIFIC INSURANCE

The amounts of loss to the damaged property are \$60,000 (Building), \$40,000 (Personal Property in building) and \$10,000 (Business Income).

The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The value of the Business Income was \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the Coinsurance requirement are \$80,000 (80% of \$100,000) for the building, \$64,000 (80% of \$80,000) for the personal property and \$80,000 (80% of \$100,000) for Business Income.

The **actual** Limits of Insurance on the damaged property are \$80,000 on the building, \$64,000 on the personal property and \$80,000 for Business Income (therefore no Coinsurance penalty).

The Deductible is 2%.

BUILDING

- Step (1): $\$80,000 \times 2\% = \$1,600$
 Step (2): $\$60,000 - \$1,600 = \$58,400$

PERSONAL PROPERTY

- Step (1): $\$64,000 \times 2\% = \$1,280$
 Step (2): $\$40,000 - \$1,280 = \$38,720$

BUSINESS INCOME

- Step (1): $\$80,000 \times 2\% = \$1,600$
 Step (2): $\$10,000 - \$1,600 = \$8,400$

The most we will pay is \$105,520. The portion of the total loss not covered due to application of the Deductible is \$4,480.

3. EXAMPLE #3 – BLANKET INSURANCE

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000) and Building #3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The **actual** Blanket Limit of Insurance covering Buildings #1, #2, and #3, shown in the Declarations, is \$1,800,000 (therefore no Coinsurance penalty).

Buildings #1 and #2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building #1) and \$20,000 (Building #2).

The Deductible is 2%.

BUILDING #1

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$40,000 - \$10,000 = \$30,000$

BUILDING #2

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. The portion of the total loss not covered due to application of the Deductible is \$20,000.

4. EXAMPLE #4 – BLANKET INSURANCE

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000), Personal Property at Building #1 (\$250,000), Personal Property at Building #2 (\$250,000), Business Income at Building #1 (\$100,000) and Business Income at Building #2 (\$100,000), as shown in the most recent Statement of Values on file with us, is \$1,700,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,530,000 (90% of \$1,700,000).

The **actual** Blanket Limit of Insurance covering Buildings #1 and #2, Personal Property at Buildings #1 and #2, and Business Income at Buildings #1 and #2, shown in the Declarations, is \$1,530,000. Therefore there is no Coinsurance penalty.

Building #1 and Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building), \$5,000 (Personal Property) and \$20,000 (Business Income).

The Deductible is 5%.

BUILDING

Step (1): $\$500,000 \times 5\% = \$25,000$

Step (2): $\$95,000 - \$25,000 = \$70,000$

PERSONAL PROPERTY

Step (1): $\$250,000 \times 5\% = \$12,500$

The loss, \$5,000, does not exceed the Deductible

BUSINESS INCOME

Step (1): $\$100,000 \times 5\% = \$5,000$

Step (2): $\$20,000 - \$5,000 = \$15,000$

The most we will pay is \$85,000. The remainder of the building loss (\$25,000) and business income loss (\$15,000) is not covered due to application of the Deductible. There is no loss payment for the personal property.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

This endorsement applies to those locations listed above.

- A.** The Windstorm or Hail Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Windstorm or Hail. This Deductible applies to each occurrence of Windstorm or Hail.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) of Insurance are shown in the Declarations.

WINDSTORM OR HAIL DEDUCTIBLE CALCULATIONS

B. Calculation Of The Deductible – Specific Insurance Other than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% (as shown in the Schedule) of the Limit(s) of Insurance applicable to the property that has sustained loss or damage.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

C. Calculation Of The Deductible – Blanket Insurance Other Than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are those shown in the most recent Statement of Values on file with us.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to 1%, 2% or 5% (as shown in the Schedule) of the value(s) of that property as of the time of loss or damage.

D. Calculation Of The Deductible – Builders' Risk Insurance

1. Builders' Risk Other Than Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% (as shown in the Schedule) of the actual cash value(s) of that property as of the time of loss or damage.

2. Builders' Risk Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the actual cash value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the actual cash value(s) of the property on the report date, we will determine the deductible amount as a percentage of the actual cash value(s) as of the report date.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the actual cash value(s) of the property as of the time of loss or damage.

EXAMPLES – APPLICATION OF DEDUCTIBLE

EXAMPLE #1 – SPECIFIC INSURANCE (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the Coinsurance requirement is \$80,000 (80% of \$100,000).

The **actual** Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

Step (1): $\$70,000 \div \$80,000 = .875$

Step (2): $\$60,000 \times .875 = \$52,500$

Step (3): $\$70,000 \times 1\% = \700

Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

EXAMPLE #2 – SPECIFIC INSURANCE (B.1.)

The amounts of loss to the damaged property are \$60,000 (Building) and \$40,000 (Personal Property in building).

The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the Coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The **actual** Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore no Coinsurance penalty).

The Deductible is 2%.

BUILDING

Step (1): $\$80,000 \times 2\% = \$1,600$

Step (2): $\$60,000 - \$1,600 = \$58,400$

PERSONAL PROPERTY

Step (1): $\$64,000 \times 2\% = \$1,280$

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. The portion of the total loss not covered due to application of the Deductible is \$2,880.

EXAMPLE #3 – BLANKET INSURANCE (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000) and Building #3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The **actual** Blanket Limit of Insurance covering Buildings #1, #2, and #3, shown in the Declarations, is \$1,800,000 (therefore no Coinsurance penalty).

Buildings #1 and #2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building #1) and \$20,000 (Building #2).

The Deductible is 2%.

BUILDING #1

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$40,000 - \$10,000 = \$30,000$

BUILDING #2

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. The portion of the total loss not covered due to application of the Deductible is \$20,000.

EXAMPLE #4 – BLANKET INSURANCE (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000), Personal Property at Building #1 (\$250,000) and Personal Property at Building #2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The **actual** Blanket Limit of Insurance covering Buildings #1 and #2 and Personal Property at Buildings #1 and #2, shown in the Declarations, is \$1,350,000. Therefore there is no Coinsurance penalty.

Building #1 and Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Personal Property).

The Deductible is 5%.

BUILDING

Step (1): $\$500,000 \times 5\% = \$25,000$

Step (2): $\$95,000 - \$25,000 = \$70,000$

PERSONAL PROPERTY

Step (1): $\$250,000 \times 5\% = \$12,500$

The loss, \$5,000, does not exceed the Deductible.

The most we will pay is \$70,000. The remainder of the building loss, \$25,000, is not covered due to application of the Deductible. There is no loss payment for the personal property.

LIMITATIONS ON COVERAGE FOR ROOF SURFACING

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

Premises Number	Building Number	Age of Roof (Years)	Indicate Applicability (Paragraph A. and/or Paragraph B.)
All	All	12	Paragraph A
All	All		Paragraph B
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.			

- A.** The following applies with respect to loss or damage by **wind and/or hail** to all buildings or structures identified in the Schedule above as being subject to this Paragraph **A.**:

If there is no "Age of Roof" shown in the Schedule above, Replacement Cost coverage (if otherwise applicable to such property) does NOT apply to roof surfacing. Instead, we will determine the value of roof surfacing at actual cash value as of the time of loss or damage.

If there is an "Age of Roof" shown in the Schedule above, Replacement Cost coverage (if otherwise applicable to such property) does NOT apply to roof surfacing as respects any roofs that are as old or older than the "Age of Roof" shown in the Schedule above. Instead, we will determine the value of roof surfacing at actual cash value as of the time of loss or damage.

In the event of loss or damage, if the roof has been replaced since the "Age of Roof" shown in the Schedule above and the Insured is able to provide written notice and paid receipt of the roof replacement, Paragraph A. is considered null and void regarding any loss or damage that occurs after the date of the roof's complete replacement.

- B.** The following applies with respect to loss or damage by **wind and/or hail** to all buildings or structures identified in the Schedule as being subject to this Paragraph **B.**:

We will not pay for cosmetic damage to roof surfacing caused by wind and/or hail. For the purpose of this endorsement, cosmetic damage means that the wind and/or hail caused marring, pitting or other superficial damage that altered the appearance of the roof surfacing, but such damage does not prevent the roof from continuing to function as a barrier to entrance of the elements to the same extent as it did before the cosmetic damage occurred.

- C.** With regard to any roof that is valued at Actual Cash Value, any coverage for Increased Cost of Construction and/or Ordinance or Law will not apply, regardless of anything to the contrary elsewhere in this policy.

- D.** For the purpose of this endorsement, roof surfacing includes, but is not limited to, shingles; tiles; cladding; gravel; ballast; metal or synthetic sheeting or similar materials covering the roof and includes all materials used in securing the roof surface and all materials applied to or under the roof surface for moisture protection or insulation, as well as roof flashing.

APPRAISAL CLAUSE AMENDMENT

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

This endorsement replaces any and all other provisions regarding appraisal.

If we and you disagree on the value of the property or the amount of loss, either party may request, in writing, an appraisal of the value of the property and/or the amount of loss. An appraisal may then take place only if the other party agrees in writing to participate in the appraisal process pursuant to terms of a written agreement between the parties. At a minimum, the written agreement between the parties will specify a protocol for the selection of a disinterested, competent, and impartial appraiser (who does not have a financial interest in the claim and/or appraisal award, including a contingent interest in the outcome of the claim or appraisal award), the inspection of the property by the appraisers, the selection of an umpire, communications between and among the appraisers and umpire, specific itemization of each item in dispute, and an award form. If the parties cannot agree on a written agreement specifying the protocol, an appraisal will not take place.

If appraisal moves forward, the two appraisers will select an umpire, who is disinterested, competent, and impartial. If the two appraisers cannot agree to an umpire within 15 days of either appraiser proposing one or more umpires, the two appraisers may jointly request that the selection of a competent and impartial umpire be made by a judge of a court in the county of the loss or damage. If either party to the appraisal, without notice to the other party, asks a judge to select an umpire, any such umpire selection shall be invalidated and the selection of a new umpire shall be required. If the appraisers do not agree to jointly request the appointment of an umpire, either the insurer or insured can unilaterally end the appraisal with written notice to the other. The appraisers will state separately the value of the property and amount of loss. Specific itemization of each item and amount in dispute is required, including, but not limited to, building-by-building, floor-by-floor, unit-by-unit, and area-by-area allocation. If the appraisers fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

- a. pay its chosen appraiser; and
- b. bear the other expenses of the appraisal and the umpire's fee equally.

In connection with the appraisal proceeding, neither the appraisers nor the umpire shall have authority to decide questions of law. Neither the appraisers nor the umpire shall attempt to resolve any issue of insurance coverage, policy exclusions, compliance with the policy terms and conditions, or any issues concerning the Limits of Insurance available under the Policy.

At any time after the request for appraisal, we will retain our right to demand compliance with all applicable Duties in the Event of Loss as described in this Policy. We may require completion of any of the Duties in the Event of Loss, or any other policy condition, prior to continuance of the appraisal proceeding.

If there is an appraisal, we will still retain our right to deny the claim.

Where applicable, the parties agree that during the pendency of an appraisal all required responses and cures to any Civil Remedy Notices are extended until 30 days after the appraisal is concluded.

By voluntarily agreeing to the appraisal process, both parties acknowledge that there are irreconcilable differences that exist regarding the value of the property and/or the amount of loss. Since appraisal is voluntary, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us.

LOSS REPORTING CONDITIONS

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

- A.** With respect to loss or damage caused by or resulting from windstorm or hail, if a covered cause of loss, the following is added to the **Duties in the Event of Loss or Damage** Loss Condition:

In addition to your obligation to provide us with prompt notice of loss or damage, with respect to any claim wherein notice of the claim is reported to us more than one year after the date of loss or damage, this policy shall not provide coverage for such claims.

- B.** With respect to loss or damage caused by or resulting from any covered cause of loss other than windstorm or hail, the following is added to the **Duties in the Event of Loss or Damage** Loss Condition:

In addition to your obligation to provide us with prompt notice of loss or damage, with respect to any claim wherein notice of the claim is reported to us more than two years after the date of loss or damage, this policy shall not provide coverage for such claims.

SCHEDULED LIMIT OF LIABILITY WITH PROPORTIONAL VALUE

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

It is understood and agreed that the following special terms and conditions apply to this policy:

1. In the event of loss hereunder, liability of the Company shall be limited to the least of the following liability limitation measures in any one "occurrence":
 - a. The actual adjusted amount of the loss, less applicable deductibles and primary and underlying excess limits; or
 - b. 100% of the individually stated value for each scheduled item of coverage insured at the location which had the loss as shown on the latest Statement of Values on file with this Company, less applicable deductibles and primary and underlying excess limits. If no value is shown for a scheduled item then there is no coverage for that item; or
 - c. The Limit of Liability as shown on the Declarations page of this policy or as endorsed to this policy, if, after the application of the limits in a. or b. above to each scheduled item of coverage which had the loss, the total exceeds such Limit of Liability.
2. If a location involved in a loss includes multiple insured buildings, and, at the time of loss, the latest Statement of Values on file with this Company does not include values by individual buildings, then in that event and only for such scheduled items of coverage, the liability of the Company for physical loss or damage to any such insured building and for loss of Business Income/Rental Value shall not exceed the "Proportional Value" of such corresponding scheduled item of coverage less applicable deductibles and primary and underlying excess limits. The "Proportional Value" amount shall be used as the value for such scheduled items of coverage contemplated in Paragraph 1.b. above. The terms and conditions in Paragraph 1. above otherwise remain in full force and effect.

"Proportional Value" means an individual scheduled item of coverage's value as calculated by:

a. Square Foot Method

- (1) Dividing the location's scheduled item of coverage value for Buildings (and if also involved in the loss, the value of Business Income/Rental Value) as shown on the latest Statement of Values on file with this Company, by the total square footage of the location as shown on the latest Statement of Values on file with this Company (if not provided, the Number of Buildings Method below will apply). The result is the dollar per square foot amount for each corresponding scheduled item of coverage.
- (2) Multiplying the dollar per square foot amount as determined in step a.(1) above by the total square footage of each individual building involved in the loss. The result is each scheduled item of coverage's "Proportional Value".

b. Number of Buildings Method

If the square footage of the individual buildings involved in the loss was not previously submitted to the Company, the "Proportional Value" of such scheduled item of coverage shall be calculated by dividing the location's scheduled item of coverage value for Buildings (and if also involved in the loss, the value of Business Income/Rental Value) as shown on the latest Statement of Values on file with this Company, by the number of individual buildings at the location at the time of the loss.

When applying Paragraphs 1. and/or 2. above, where the loss or "occurrence" involves more than one insured location or scheduled item of coverage, the liability of the Company for each individually scheduled item of coverage shall be measured separately and on a per scheduled item basis. Nothing herein requires the Company to utilize the same liability limitation measure for all insured scheduled items or insured locations involved in any one "occurrence". The liability limitation measure to be used by the Company shall be the measure providing the least amount of coverage for each scheduled item individually.

3. If the Declarations page or any other endorsement or policy provisions provide a percentage Limit of Insurance or a Company participation percentage in the risk, then after determination of the scheduled limit of liability to each scheduled item of coverage as explained in Paragraphs 1. and 2. above, such percentage represents our percentage of the covered loss otherwise determined to be payable, and the most we will pay is limited to our percentage of any covered loss after applying the liability limitation measures, applicable deductibles and primary and underlying excess limits.
4. Coverage under this policy is provided only at the locations listed on the latest Statement of Values on file with this Company, and/or made part of this policy.
5. The premium for this policy is based upon the Statement of Values on file with this Company, and/or made part of this policy.

Sublimits are part of, not in addition to, any limit of insurance including the individually stated value or "Proportional Value" for each scheduled item of coverage as determined by this endorsement.

The Company may have no liability after applying the liability limitation measures, applicable sublimits, applicable deductibles, and primary and underlying excess limits.

The term "occurrence", where used in this policy, shall mean any one loss, disaster, casualty or series of losses, disasters, or casualties arising from one event.

When the term "occurrence" applies to a loss or series of losses from the perils of tornado, cyclone, named storm, hurricane, windstorm, hail, flood, earthquake, volcanic eruption, riot, riot attending a strike, civil commotion and vandalism and malicious mischief, one event shall be construed to be all losses arising during a continuous period of 72 hours. When filing a proof of loss the insured may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than the first loss to occur at any covered location.

Example:

The limits shown in the example below apply for this example only and do not reflect the limits in this policy. The example also assumes there is neither a coinsurance penalty nor other limits involved. The Company's participation percentage in the risk is 50%.

Location 1 – One Building (Paragraph 1. applies)

Scheduled value – Building	\$100,000
Actual adjusted amount of loss – Building	\$25,000
Scheduled value – Rents	\$50,000
Actual adjusted amount of loss – Rents	\$75,000

Location 2 – Multiple Buildings with 10,000 Total Square Feet (Paragraph 2.a. applies)

Scheduled value – All Buildings (Not Individually Reported)	\$400,000
Actual adjusted amount of loss – Building 1 (2,500 SF)	\$50,000
Actual adjusted amount of loss – Building 2 (2,000 SF)	\$90,000
Scheduled value – All Rents (Not Individually Reported)	\$100,000
Actual adjusted amount of loss – Rents at Building 1	\$35,000
Actual adjusted amount of loss – Rents at Building 2	\$15,000

Location 3 – Three Buildings with Individual Building Square Footage Unavailable (Paragraph 2.b. applies)

Scheduled value – All Buildings (Not Individually Reported)	\$300,000
Actual adjusted amount of loss – Building 1	\$150,000
Scheduled value – All Rents (Not Individually Reported)	\$75,000
Actual adjusted amount of loss – Rents at Building 1	\$20,000

Limit of Liability on Declarations page \$1,000,000 per occurrence

In this example, the total liability of the Company for the Occurrence is limited to \$182,500 less applicable deductible(s) and primary and underlying excess limits. This is because:

1. The liability of the Company on each scheduled item of coverage is limited as follows:
 - a. Location 1 Building is limited to \$25,000 because the actual adjusted amount of the loss is less than the scheduled value for that item,
 - b. Location 1 Rents is limited to \$50,000 because the scheduled value is less than the actual adjusted amount of the loss for that item,
 - c. Location 2 Building 1 is limited to \$50,000 because the actual adjusted amount of the loss is less than the "Proportional Value" for that item,

“Proportional Value” = Step (1): $\$400,000 \div 10,000 = \40

Step (2): $\$40 \times 2,500 = \$100,000$

- d. Location 2 Building 2 is limited to \$80,000 because the “Proportional Value” is less than the actual adjusted amount of loss for that item,

“Proportional Value” = Step (1): $\$400,000 \div 10,000 = \40

Step (2): $\$40 \times 2,000 = \$80,000$

- e. Location 2 Rents at Building 1 is limited to \$25,000 because the “Proportional Value” is less than the actual adjusted amount of the loss for that item,

“Proportional Value” = Step (1): $\$100,000 \div 10,000 = \10

Step (2): $\$10 \times 2,500 = \$25,000$

- f. Location 2 Rents at Building 2 is limited to \$15,000 because the actual adjusted amount of loss is less than the “Proportional Value” for that item

“Proportional Value” = Step (1): $\$100,000 \div 10,000 = \10

Step (2): $\$10 \times 2,000 = \$20,000$

- g. Location 3 Building 1 is limited to \$100,000 because the “Proportional Value” is less than the actual adjusted amount of the loss for that item, and

“Proportional Value” = $\$300,000 \div 3 = \$100,000$

- h. Location 3 Rents at Building 1 is limited to \$20,000 because the actual adjusted amount of the loss is less than the “Proportional Value” for that item; and

“Proportional Value” = $\$75,000 \div 3 = \$25,000$

2. The total of the liability limitation measures on each scheduled item of coverage ($\$25,000 + \$50,000 + \$50,000 + \$80,000 + \$25,000 + \$15,000 + \$100,000 + \$20,000 = \$365,000$) less applicable deductibles is less than the policy’s Limit of Liability (in this example) of \$1,000,000 per occurrence.
3. Multiply the total of the liability limitation measures by the Company’s participation percentage in the risk ($\$365,000 \times 50\% = \$182,500$).

WARRANTY ENDORSEMENT – HEAT MAINTAINED AT 55 DEGREES FAHRENHEIT

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

A. WARRANTY

As a condition of this insurance, it is agreed that the inside temperature of all covered locations will be maintained at 55 degrees Fahrenheit or above.

- B. WATER DAMAGE** coverage is VOID as respects all covered property at any covered locations that do not maintain the inside temperature at 55 degrees Fahrenheit or above.

Notwithstanding anything to the contrary which may be contained in any Policy to which this endorsement is attached and regardless of efforts as may be taken by the insured to maintain the heat as required by this endorsement, all damage from WATER DAMAGE is excluded from coverage if the heat was not actually maintained at or above 55 degrees Fahrenheit for any reason. Best efforts to maintain the heat at 55 degrees Fahrenheit will not satisfy the condition of insurance as set forth in, and required by, this endorsement.

All other terms, conditions, and warranties remain unchanged.

This Endorsement Changes The Policy. Please Read It Carefully.

EXCLUSION OF TERRORISM

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

A. Definitions

1. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in that Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
 - b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
2. "Other act of terrorism" means any activity against persons, organizations or property of any nature:
 - a. That involves the following or preparation for the following:
 - (1) Use or threat of force or violence; or
 - (2) Commission or threat of a dangerous act; or
 - (3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
 - b. When one or both of the following applies:
 - (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - (2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology; and
 - c. When the act is not certified as a terrorist act pursuant to the federal Terrorism Risk Insurance Act.

B. Exclusion of Certified Acts of Terrorism and the following Other Acts of Terrorism

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism" or an "other act of terrorism":

1. Including loss or damage caused by Fire following or resulting from a "certified act of terrorism" or an "other act of terrorism".
2. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
3. With respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:
 - a. The act involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination;
 - b. The act is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials;

-
- c. The act involves the release of pathogenic or poisonous biological or chemical materials, and it appears that one purpose of the terrorism was to release such materials; or
 - d. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico, and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the “other act of terrorism” and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of an “other act of terrorism” which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item **B.3.d.**, the immediately preceding paragraph describes the threshold used to measure the magnitude of an “other act of terrorism” and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an “other act of terrorism”, there is no coverage under this Coverage Part or Policy.

C. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as, but not limited to, losses excluded by any Nuclear Hazard or War And Military Action Exclusions.

ORDINANCE OR LAW COVERAGE

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

SCHEDULE

Prem. No./ Bldg. No.	Coverage A	Coverage B Limit of Insurance	Coverage C Limit of Insurance	Coverage B and C Combined Limit of Insurance
All / All	<input checked="" type="checkbox"/>	\$	\$	\$ ** *
/	<input type="checkbox"/>	\$	\$	\$ *
/	<input type="checkbox"/>	\$	\$	\$ *

Post-Loss Ordinance or Law Option: Yes No

**Coverage B and C (Combined): \$1,500,000 sublimit per occurrence (Maximum 10% per Building, per Statement of Values on file with Company when damaged by a covered cause of loss)

*Do **not** enter a Combined Limit of Insurance if individual Limits of Insurance are selected for Coverages **B** and **C**, or if one of these Coverages is not applicable.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Each Coverage – Coverage **A**, Coverage **B** and Coverage **C** – is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for that Coverage(s) in the Schedule.

B. Application of Coverage(s)

The Coverage(s) provided by this endorsement applies with respect to an ordinance or law that regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises, subject to the following:

1. The requirements of the ordinance or law are in force at the time of loss. But if the Post-Loss Ordinance or Law Option is indicated in the Schedule as being applicable, then Paragraph **B.2.** applies instead of this Paragraph **B.1.**
2. The requirements of the ordinance or law are in force at the time of loss; or the ordinance or law is promulgated or revised after the loss but prior to commencement of reconstruction or repair and provided such ordinance or law requires compliance as a condition precedent to obtaining a building permit or certificate of occupancy.
3. Coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.
4. Coverage under this endorsement applies only if:
 - a. The building sustains only direct physical damage that is covered under this policy and such damage results in enforcement of the ordinance or law; or
 - b. The building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.

However, there is no coverage under this endorsement if the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, even if the building has also sustained covered direct physical damage.

5. If coverage applies under this endorsement based on the terms of Paragraph **B.4.b.**, we will not pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B**, and/or **C** of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Paragraph **F**. of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B** and/or **C** of this endorsement.

6. We will not pay under this endorsement for:
- a. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - b. The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.
7. We will not pay under this endorsement for any loss in value or any cost incurred due to an ordinance or law that you were required to comply with before the time of the current loss, even in the absence of building damage, if you failed to comply.

C. Coverage

1. Coverage A – Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **A** for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building.

Coverage **A** is included within the Limit of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. Coverage **A** does not increase the Limit of Insurance.

2. Coverage B – Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

The Coinsurance Additional Condition does not apply to Demolition Cost Coverage.

3. Coverage C – Increased Cost Of Construction Coverage

- a. With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- (1) Repair or reconstruct damaged portions of that building; and/or
- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required; when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- (1) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- (2) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

The Coinsurance Additional Condition does not apply to Increased Cost of Construction Coverage.

- b. When a building is damaged or destroyed and Coverage **C** applies to that building in accordance with Paragraph **C.3.a.** above, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in Paragraph **C.3.a.**:

- (1) The cost of excavations, grading, backfilling and filling;
- (2) Foundation of the building;

- (3) Pilings; and
- (4) Underground pipes, flues and drains.

The items listed in **b.(1)** through **b.(4)** above are deleted from Property Not Covered, but only with respect to the coverage described in this provision, **3.b.**

D. Loss Payment

1. All following loss payment provisions, **D.2.** through **D.5.**, are subject to the apportionment procedures set forth in Paragraph **B.5.** of this endorsement.
2. When there is a loss in value of an undamaged portion of a building to which Coverage **A** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - a. If the Replacement Cost Coverage Option applies and such building is being repaired or replaced, on the same or another premises, we will not pay more than the lesser of:
 - (1) The amount you would actually spend to repair, rebuild or reconstruct such building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (2) The Limit of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. (If this policy is endorsed to cover Earthquake and/or Flood as a Covered Cause of Loss, the Limit of Insurance applicable to the building in the event of damage by such Covered Cause of Loss may be lower than the Limit of Insurance that otherwise would apply.)
 - b. If the Replacement Cost Coverage Option applies and such building is **not** repaired or replaced, or if the Replacement Cost Coverage Option does **not** apply, we will not pay more than the lesser of:
 - (1) The actual cash value of such building at the time of loss; or
 - (2) The Limit of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. (If this policy is endorsed to cover Earthquake and/or Flood as a Covered Cause of Loss, the Limit of Insurance applicable to the building in the event of damage by such Covered Cause of Loss may be lower than the Limit of Insurance that otherwise would apply.)
3. Unless Paragraph **D.5.** applies, loss payment under Coverage **B** – Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

 - a. The amount you actually spend to demolish and clear the site of the described premises; or
 - b. The applicable Limit of Insurance shown for Coverage **B** in the Schedule.
4. Unless Paragraph **D.5.** applies, loss payment under Coverage **C** – Increased Cost of Construction Coverage will be determined as follows:
 - a. We will not pay under Coverage **C**:
 - (1) Until the building is actually repaired or replaced, at the same or another premises; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage **C** is the lesser of:
 - (1) The increased cost of construction at the same premises; or
 - (2) The applicable Limit of Insurance shown for Coverage **C** in the Schedule.
 - c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage **C** is the lesser of:
 - (1) The increased cost of construction at the new premises; or
 - (2) The applicable Limit of Insurance shown for Coverage **C** in the Schedule.
5. If a Combined Limit of Insurance is shown for Coverages **B** and **C** in the Schedule, Paragraphs **D.3.** and **D.4.** do not apply with respect to the building that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the Combined Limit of Insurance shown for Coverages **B** and **C** in the Schedule. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

 - a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.

b. With respect to the Increased Cost of Construction:

(1) We will not pay for the increased cost of construction:

(a) Until the building is actually repaired or replaced, at the same or another premises; and

(b) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.

(3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

E. The terms of this endorsement apply separately to each building to which this endorsement applies.

F. Example of proportionate loss payment for Ordinance Or Law Coverage Losses (procedure as set forth in Paragraph B.5.).

Assume:

- Wind is a Covered Cause of Loss; Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by wind): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance Or Law Coverage C of this endorsement: \$60,000

Step 1:

Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2:

Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage C loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

Note: The same procedure applies to losses under Coverages A and B of this endorsement.

G. The following definition is added:

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (c) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (d) Remove deposits of mud or earth from the grounds of the described premises;

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
 - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 = 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

- (i) Similar use as the building described in the Declarations; or
- (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

(a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;

- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the described premises.
- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal;
- 3. Increased Cost Of Construction; and
- 4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- (1) We have reached agreement with you on the amount of loss; or
- (2) An appraisal award has been made.

If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in b. and c. below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step (1);

- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 100,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
 (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 200,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:
 Building at Location 1: \$ 75,000
 Building at Location 2: \$ 100,000
 Personal Property at Location 2: \$ 75,000
 \$ 250,000

The Coinsurance percentage for it is: 90%

The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is: \$ 180,000

The Deductible is: \$ 1,000

The amount of loss is:
 Building at Location 2: \$ 30,000

Personal Property at Location 2: \$ 20,000
 \$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:

This will not restrict your insurance.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;

- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

(7) The following causes of loss to personal property:

(a) Dampness or dryness of atmosphere;

(b) Changes in or extremes of temperature; or

(c) Marring or scratching.

- a.** \$2,500 for furs, fur garments and garments trimmed with fur.
 - b.** \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
 - c.** \$2,500 for patterns, dies, molds and forms.
 - d.** \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.**, does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:
- a.** Results in discharge of any substance from an automatic fire protection system; or
 - b.** Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a.** Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b.** Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c.** Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d.** Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in **2.a.** or **2.b.**;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

- a.** A building or any part of a building that is in danger of falling down or caving in;
- b.** A part of a building that is standing, even if it has separated from another part of the building; or
- c.** A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a.** Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following:
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - c. Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.
