

Christmas Greetings

As we light the Advent candles each Sunday, we enter a season of celebration marked by the symbols of hope, peace, joy, and love. These embody our prayers for the world. In a time filled with troubling news, wars, and injustice, we remember that Jesus was born amidst crisis, bringing hope, peace, joy, and love. This season reminds us of our true identity.

It is also a time for gathering with friends and family, sharing laughter and joy with those we hold dear. We keep in our hearts those who are unable to be together for various reasons.

The Nelson Tasman Methodist Parish has had a wonderful year, thanks to the commitment of each individual in our church and community. May we continue to support one another in God's love in the coming year. May the joy of God be with us this season. Most importantly, let us remember that God is with us—Emmanuel.

Wishing everyone a Merry Christmas and a Happy New Year!
