The name of the organization *

University of the Third Age at Sofia University "St. Kliment Ohridski".

The scope of the organization's activities *

We provide lifelong learning opportunities for older people, particularly those who are retired or approaching retirement.

What are the main reasons for your interest in the "DigiWork" project? *

- INTERNAL TRAINING
- JOINING OTHER PROJECTS
- CURIOSITY'
- SPECIFIC NEED FOR DIGITAL SKILLS
- NEW LEARNING OPPORTUNITY

How can the project results be useful for your organization or target users? *

- They would increase the digital skills of our members/users, improving their adaptability to the online world of work and social participation.
- They would offer our employees/users new learning opportunities, enabling them to develop key professional skills for managing tasks and online meetings.
- They would replace the current digital skills gaps in our organization, improving the efficiency and productivity of daily activities.
- They would enable our members/users to acquire essential life skills, helping to bridge the digital divide in the communities we serve.
- This would open up new career opportunities for our members/users, which is especially important given the post-pandemic challenges and the evolution towards an online work environment.

How do you intend to involve yourself in disseminating the project results in your community or sector of activity? *

- We will actively promote the project materials through our social media channels and newsletters, reaching a wide audience of interested members and stakeholders.
- We will organize local training events and workshops to present and discuss the project results with our community, encouraging active participation and dissemination of information.
- We will work with partner organizations in our sector to share the project materials and incorporate them into our training initiatives, thus amplifying the impact in our network of contacts.

Approximately and realistically, how many people will you be able to address with the DigiWork project materials? *

- from 1 to 10 people
- from 11 to 30 people
- from 31 to 99 people
- over 100 people

If there is anything else you would like to communicate or specify regarding your expression of interest, please let us know briefly. *

none

Acceptance of Terms:

By completing this questionnaire, you agree to adhere to the terms of use of the project materials and to participate in DigiWork dissemination activities.

THANK YOU for your time and valuable contribution. Your answers will be crucial to the success of the project in supporting adults in their transition to the digital world.
